The applicant agrees that if granted a permit for the above-described entrance, the following stipulations shall govern.

1. If in the opinion of the Woodbury County Engineer a culvert pipe is needed in said entrance for proper drainage, the applicant will pay Woodbury County for furnishing said culvert pipe. Woodbury County will install said culvert pipe and build drive or entrance at no further cost to the applicant. If in the opinion of the County Engineer a Culvert Pipe is not necessary, Woodbury County will build drive or entrance at no cost to the applicant.
2. Non-compliance with any of the terms of the Highway Department policy, permit, or agreement, may be considered cause for revocation of the permit. The cost of any work caused to be performed by the County in removal of non-complying construction will be assessed against the applicant.
3. Stipulations and requirements contained herein are not intended to waive greater requirements of any local zoning ordinance.
