Subject: Filling vacancy in the Tax Vehicle Department

I am requesting permission to fill the vacancy created in the Tax office by the separation of Anna Kounas.

Three and a half years ago, we reduced staff by one. The services that we provide are not a matter of life and death, but as a government agency tasked with the requirement to provide basic services, we will need adequate staff to provide these services.

This is a critical position as it is back up for the Bookkeeping Deputy.

Thank you for your time and consideration.
