WOODBURY COUNTY BOARD OF SUPERVISORS AGENDA ITEM(S) REQ

Date: September 10, 2015

Weekly Agenda Date: September 15, 2015

DEPARTMENT HEAD / CITIZEN: Mark J. Nahra P.E. Secondary Roads Dept Head/BenKusler Project Engineer

SUBJECT: **Receive and consideration of award of bids for project RCX-CO97(119)—9A-97 (SET TIME 4:40 PM)**

ACTION REQUIRED:

Approve Ordinance ☐	Approve Resolution ☐	Approve Motion ☒
Give Direction ☐	Other: Informational ☐	Attachments ☐

Consideration X

WORDING FOR AGENDA ITEM: Receive and consider bids for PCC Paving of 255th Street and turning lanes on Port Neal Road project RCX-CO97(119)—9A-97

EXECUTIVE SUMMARY: This project is the second phase of the construction of the CF Industries entrance roadway on 255th street and the construction of turning lanes on Port Neal Road to 255th Street.

BACKGROUND: The department solicited bids from seven contractors. This project is in the five year construction program.

FINANCIAL IMPACT: This project is funded within the Construction line item within secondary roads department budget, funded 50% RISE Iowa Dept. of Transportation and 50% local funds through TIF and the Urban renewal district. Total cost is expected to be approximately $1,500,000.00.

RECOMMENDATION: Recommend that we receive bids and allow engineer to evaluate them and make an award at a later time during this meeting.

ACTION REQUIRED: Motion to receive bids and direct the project engineer to evaluate the bids and return with a recommendation for award at a later time during this meeting.

Approved by Board of Supervisors March 3, 2015.

WOODBURY COUNTY BOARD OF SUPERVISORS AGENDA ITEM(S)

Date: September 9, 2015

Weekly Agenda Date: September 15, 2015

ELECTED OFFICIAL / DEPARTMENT HEAD / CITIZEN: Planning and Zoning – John Pylelo, Director

SUBJECT: Final Platting Referral for Water Dog Addition – a Minor Subdivision

ACTION REQUIRED:

Approve Ordinance ☐	Approve Resolution ☐	Approve Motion ☒
Give Direction ☐	Other: Informational ☐	Attachments ☒

WORDING FOR AGENDA ITEM: Consideration and Referral of Final Platting to Zoning Commission for Public Hearing and Recommendation for Water Dog Addition - a minor subdivision; GIS Parcel #874811300010.

EXECUTIVE SUMMARY: See attached narrative and final platting.

BACKGROUND: See attached narrative. Referral of Final Platting to Zoning Commission for Public Hearing and Recommendation.

FINANCIAL IMPACT: $200.00 offset by application fee.

RECOMMENDATION: Approve Motion Referring Final Platting to Zoning Commission for Public Hearing and Recommendation.

ACTION REQUIRED / PROPOSED MOTION: Motion to "*Refer Final Platting to the Zoning Commission for Public Hearing and Recommendation.*"

Approved by Board of Supervisors March 3, 2015.

OFFICE OF
Woodbury County Planning & Zoning Director

620 DOUGLAS ST., 6TH FLOOR - SIOUX CITY, IA 51101
John Pylelo - Planning & Zoning Director • jpylelo@sioux-city.org
Peggy Napier - Clerk II • pnapier@sioux-city.org

To: **Board of Supervisors**

From: **John Pylelo – Planning and Zoning**

Re: **Board of Supervisors Meeting of Tuesday September 15, 2015**

Date: **September 9, 2015**

Planning and Zoning – John Pylelo, Director

Consideration of Final Platting for Water Dog Addition- a Minor Subdivision with referral to Zoning Commission for Public Hearing and Recommendation; GIS Parcel #874811300010.

Roger and Jean Hassebroek have filed a subdivision application and final platting for a rural Woodbury County parcel. The applicants intend to subdivide 8.09 acres into two (2) lots. The applicants currently reside on the parent parcel within one of the two existing single family dwellings. The applicants wish to subdivide the parcel into two lots in order to place each dwelling on an independent parcel.

The parent parcel lies within rural Woodbury County approximately 9/10 of a mile southwest of the Sioux City corporate limits. The closest intersection is ½ mile to the east at 235th St. and Allison Ave. Location mapping can be found on the attached final plat. The location is within a portion of the NE ¼ of the SW ¼ of Section 11, Liberty West Township.

The parent parcel is zoned GI (General Industrial); is not located within a special flood hazard area; and does not lie within any drainage district. The parcel is serviced by drives addressed 1020 and 1022 235th St. The current and proposed use of the parent parcel and its structures are classified as legal non-conforming uses within the GI zoning district designation and Woodbury County zoning ordinances.

As the use of the parent parcel is residential no CSR value for the parcel is unavailable. CSR values for congruent parcels range from 30.57 to 39.00. This range is below the threshold where county policy discourages subdivision platting approval.

The location is located along graveled right-of-way and will require the recording of a paving agreement pursuant to county paving policy as part of any final plat approval. Further the city of Sioux City can exercise its right to extraterritorial review and final plat approval.

Your Board is asked to consider the final platting referring to the Zoning Commission for public hearing and recommendation.

WOODBURY COUNTY BOARD OF SUPERVISORS AGENDA ITEM(S) R

Date: September 10, 2015

Weekly Agenda Date: September 15, 2015

ELECTED OFFICIAL / DEPARTMENT HEAD / CITIZEN: Kenny Schmitz; Building Services

SUBJECT: EnergyCap

ACTION REQUIRED:

Approve Ordinance ☐	Approve Resolution ☐	Approve Motion ☒
Give Direction ☐	Other: Informational ☐	Attachments ☒

WORDING FOR AGENDA ITEM: Utilities & Energy usage monitoring

EXECUTIVE SUMMARY: EnergyCap System Database Program

BACKGROUND: Database system to allow monitoring of utility consumption

FINANCIAL IMPACT: Based on Database size – "Enterprise System" Annual fee $5K plus one-time Implementation & Training $10K – Total Preliminary GSA Pricing Quote per EnergyCap $16,385.98

RECOMMENDATION: Woodbury County would benefit with the ability to track utility usage. Building Services recommends moving forward with EnergyCap Enterprise.

ACTION REQUIRED / PROPOSED MOTION: Motion to approve Contract with EnergyCap per WICC terms & conditions.

EnergyCAP.

Preliminary GSA Pricing Quote

Prepared for:

County of Woodbury, IA
620 Douglas Street

Summary of Product & Service Purchase Fees

Table	Item	Description	Price
1	Software License and Maintenance	EnergyCAP® Enterprise, annual license, no limit on number of users.	$4,940.00
2	Database Hosting Service	Database to be hosted by Licensee.	-
2	Implementation Services	Project Management, Systems Engineering, and Implementation Assistance on all facets of implementation of licensed features.	$10,374.00
2	Training Services	Training Services performed by assigned project manager.	$950.00
2	Bill CAPture Service	Initial enrollment and setup of service and first year bill processing service fee.	-
		Industrial Funding Fee (0.75%)	$121.98
		TOTAL FIRST YEAR FEE	**$16,385.98**

Estimated Three-Year Fee Summary

The prices in the following Three-Year Cost Summary are based on the software features and services listed in Tables 1 & 2 below.

Item	Year One	Year Two	Year Three
Software License and Maintenance	$4,940.00	$4,940.00	$4,940.00
Database Hosting Service	-	-	-
Implementation Services	$10,374.00	-	-
Training Services	$950.00	-	-
Bill CAPture Service	-	-	-
Industrial Funding Fee (0.75%)	$121.98	$37.05	$37.05
Total	**$16,385.98**	**$4,977.05**	**$4,977.05**

Product & Service Purchase Details

The following items are included in the Total Initial Fee quoted above:

Table 1: Software License and Maintenance

Product and Scope Details	
EnergyCAP Enterprise	6.3 or latest
EnergyCAP Web Client	3.3 or latest
Licensed Number of Users	Unlimited
Licensed Number of Meters* (see Terms and Conditions #2)	250
Approx. Number of Buildings	TBD
Type of Buildings	Government
Approx. Commodities to be Tracked	Electric, Natural Gas, etc.

* Will be added to the next renewal period.

Terms and Conditions

1. This quote and product pricing are the proprietary property of EnergyCAP, Inc. (ECI), are provided to the recipient at recipient's request, and may not be divulged to any third parties.
2. A meter is a point of service as itemized on the bill and tracked in EnergyCAP as a meter/logical device and includes points of service for which no physical meter exists, such as sewer, fire lines, outdoor lighting, fuel oil tanks, storm drainage, ISP and telephone service, etc. Meter records that are used in split, calculated, and virtual bill processes for Chargeback and Cost Allocation purposes are included in the total meter count. Growth in scope of meter count of up to the licensed amount in Table 1 is permitted. Growth beyond the amount listed in Table 1, whether due to reorganization, merger, acquisition, etc., exceeds the pricing considerations, and ECI reserves the right to charge the software license and annual maintenance fees listed in the Optional Products & Services table with prior Licensee authorization.
3. Base and Advanced Software Features comply with the detailed feature descriptions and explanations shown at www.EnergyCAP.com/Products for this version of the licensed software.
4. Operating systems, Microsoft SQL Server, and hardware of any kind are not included.
5. For the Enterprise version, if Licensee hosts or for ECI hosted versions, if Licensee elects to download the Installed Client, software installation will be accomplished by Licensee. ECI will assist in software installation via phone and email technical support.
6. Implementation assistance for hourly projects: If Licensee options ECI to provide hourly implementation assistance instead of project-based, hours must be used within 120 calendar days from initial assistance. Expired hours can be reactivated for 25% of the purchase price. If implementation assistance and support is needed beyond the level of service purchased in this Agreement, ECI can quote a fee based on the scope of work at a billable rate of $142.50/hour.
7. Licensee is responsible for delivering complete custom development specifications to ECI before commencement of development services. ECI will develop deliverables in the agreed upon timeframe as outlined the project schedule. Delivered items will be referenced as functional deliverables. Upon request, ECI will provide up to two iterations of functional deliverables as long as the scope change is minimal and in sum amount less than 10% of the total cost of the deliverable. Each iteration must be requested by Licensee within a four-week period from first delivery of the functional deliverable. If the iterations exceed 10%, if Licensee requests more than two iterations, or if the timeframe exceeds four weeks from original delivery date, then ECI shall provide a quotation to Licensee for services at ECI's then-current rates for services.
8. Hosting service: If Licensee options ECI to provide database hosting services, ECI will host Licensee's database on hardware owned and maintained by ECI. Equipment is located in Pittsburgh, PA in a commercial co-location facility that has secure access, redundant high speed Internet access, and redundant power supply. Databases will be backed up nightly to on-site and off-site locations. Ownership of proprietary EnergyCAP SQL database schema resides with ECI. (Database schema includes database design elements, to include: table and field design; indexes and triggers; stored procedures, scripts and views.) ECI shall treat Licensee databases as confidential information and shall not release, divulge, or provide access to data by any third parties without the prior consent of Licensee. Guaranteed system availability is 98% during customary Eastern Time Zone office hours. Licensee shall be entitled to a credit of $500 on the next invoice if system availability in any calendar quarter falls below 98% for that quarter. ECI can store bill images on hosted servers; additional annual fee of $0.05/bill applies. If additional non-production databases are needed for testing and/or demo purposes, an additional per database fee applies. ECI reserves the right, upon approval by Licensee, to charge additional fees for services outside of the normal hosting services (services for remote desktop access, custom backup processes, scheduled tasks, etc.).
9. ECI reserves the right to increase annual fees each year not to exceed 3% or the then current CPI, whichever is greater.
10. The End-User EnergyCAP Software License Purchase Agreement, EnergyCAP Software License Agreement, EnergyCAP Maintenance Agreement, EnergyCAP Software Implementation Services Agreement, EnergyCAP Database Hosting Service Agreement, and EnergyCAP Bill CAPture Service Agreement are incorporated herein and are available upon request from EnergyCAP, Inc. and at www.EnergyCAP.com/Legal.
11. Bill CAPture Service: Licensee has the option to subscribe to the Bill CAPture bill processing service. Licensee must maintain an active and current ECMA in order to subscribe to the Bill CAPture service. Licensee is responsible for all EnergyCAP data revisions and maintenance including but not limited to: the creation of new accounts, meters, places, and vendors, managing account number changes, and taking action on bill kick-out reports. ECI and Licensee will schedule a time for initiation of the enrollment process. If the total number of meters enrolled in the service or the total number of transactions processed exceeds the maximum limits listed in Table 2, ECI shall provide a quotation to Licensee for the following fees:

    TBD/Meter and TBD/Transaction
12. The Project and Invoicing Schedule is preliminary. The timeline is highly dependent on the receipt of usable data from Licensee. Most implementation projects take between four and eight months from the project Kickoff Meeting to Project Completion. Times can vary, and a detailed project schedule for licensee's specific project will be provided after the Kickoff Meeting. Invoicing Schedule terms is net 30 days; 1% per month late fee may be applied.

Acceptance

To order, please sign and return this page, provide a purchase order or payment referencing this Quote form, or request a formal proposal that includes all license agreements from your EnergyCAP, Inc. account executive.

I signify that I am an authorized representative of the organization named above. My signature below confirms the organization's intent to purchase the above-noted products and services ("Products") and authorizes EnergyCAP, Inc. ("ECI") to deliver and invoice for the Products under the Terms & Conditions outlined herein.

WOODBURY COUNTY BOARD OF SUPERVISORS AGENDA ITEM(S) REQ

Date: September 9, 2015

Weekly Agenda Date: September 15, 2015

ELECTED OFFICIAL / DEPARTMENT HEAD / CITIZEN: Supervisors Matthew Ung and Jeremy Taylor

SUBJECT: Use of Local Option Sales Tax for Economic Development

ACTION REQUIRED:

Approve Ordinance ☐	Approve Resolution ☒	Approve Motion ☐
Give Direction ☐	Other: Informational ☐	Attachments ☒

WORDING FOR AGENDA ITEM: Approval of a resolution sunsetting the "Investing in Woodbury County" Loan Program

EXECUTIVE SUMMARY: We believe in the name of fairness and greater economic impact that the low-interest revolving Loan Program has fulfilled its purpose and should sunset. We are also cognizant that even in recent weeks, the county has been asked for contributions to economic development projects ranging from $75,000 to $2,000,000, and having funds from a revolving loan program already "tied up" for several years can present a hindrance to their full consideration. We believe the intent of Local Option Sales Tax (LOST) dollars for economic development is for the public good. Low-interest loans to private citizens for their own business expansions don't necessarily hurt Woodbury County, and they aren't necessarily bad decisions—but we believe they may not be the best decisions. Furthermore, it is misleading for us as a County Board to claim we have "created" one or a couple jobs when our loans are typically not the primary source of funds, but secondary, tertiary, etc... How do we know that part-time job (for instance) wouldn't already be created?

Five years after inception, and after the recession, we don't believe spending further tax dollars to advertise preferential loan terms to entrepreneurs is our place, especially considering Siouxland Economic Development Corporation's capable role in this area. Considering the county's income streams are very limited/inflexible, speculation should not be our role. *Loaning funds out below any bank's rate represents a loss to the taxpayers funding the loan.*

BACKGROUND: The Loan Program was created in 2010 after the 2008-2009 recession. Although $1 million was intended, four loans have been approved, all at a 2% rate and totaling $359,000. No loans were given out in FY 2014.

FINANCIAL IMPACT: We intend continued use of Local Option Sales Tax for economic development, but for public rather than private benefit. In accordance with the resolution's action to rescind commitment of $400,000 in LOST funds to the Loan Program, LOST funds unallocated for FY 2016 would rise dramatically from $151,653 to $551,653.

The four current loans already begun will not be affected in any way and their repayments will still go to the fund established.

ACTION REQUIRED / PROPOSED MOTION: "I move to approve the resolution."

Approved by Board of Supervisors March 3, 2015. Revised May 5, 2015.

RESOLUTION NO _____

A RESOLUTION ELIMINATING THE

"INVESTING IN WOODBURY COUNTY" LOAN PROGRAM

WHEREAS, the "Investing in Woodbury County" Loan Program was created by Resolution #10,691 on July 20, 2010 to benefit private business owners "and in order to offer local solutions to the national economic recession"; and

WHEREAS, a goal of up to $1M in low-interest loans of 2% was established in a revolving loan fund, with current loan lengths ranging from 5-10 years; and

WHEREAS, Woodbury County appreciates the Siouxland Economic Development Corporation, which not only assists the county's loan program with screening and all loan recommendations, but manages a much larger private loan program, and therefore Woodbury County finds its own revolving loan program to be of diminished use; and

WHEREAS, Woodbury County's practice of being a partial lender gives no guarantee whether the low-interest loans they approve create jobs that would have otherwise already been created, or if taxpayers are comfortable with a limited number of businesses being granted loans below market rate, in some cases for business expansion rather than creation; and

WHEREAS, Woodbury County funding for economic development projects that service the public good over private interests are in high demand and will continue to be so;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF WOODBURY COUNTY, IOWA that the program created by Resolution #10,691 is eliminated; and

BE IT FURTHER RESOLVED that the action taken by the Woodbury County Board of Supervisors on Feb. 24, 2015 to allocate a total of $400,000 of Local Option Sales Tax funds to the Loan Program is hereby rescinded.

BE IT SO RESOLVED this 15th day of September, 2015.

WOODBURY COUNTY BOARD OF SUPERVISORS

WOODBURY COUNTY BOARD OF SUPERVISORS AGENDA ITEM(S) REQU

Date: September 10, 2015

Weekly Agenda Date: September 15, 2015

DEPARTMENT HEAD / CITIZEN: Mark J. Nahra P.E. Secondary Roads Dept Head/BenKusler Project Engineer

SUBJECT: **Consideration of award of Bids for Project No. L-C(N48)—73-97**

ACTION REQUIRED:

Approve Ordinance ☐	Approve Resolution ☐	Approve Motion ☒
Give Direction ☐	Other: Informational ☐	Attachments ☒

Consideration X

WORDING FOR AGENDA ITEM: Consideration of award of bids to replace short span bridge project L-C(N48)—73-97

EXECUTIVE SUMMARY: This project was let for bid on September 8, 2015. Bids were opened at the Board meeting. The low bid was from Midwest Contracting of Marshall, Minnesota.

BACKGROUND: The department solicited bids from ten contractors. This culvert is in the five year construction program.

FINANCIAL IMPACT: This project is funded within the Construction line item within secondary roads department budget.

RECOMMENDATION: Recommend award of the low bid from Midwest Contracting.

ACTION REQUIRED: Motion to accept and award the bid to Midwest Contracting for replacement of a short span bridge culvert for $72,769.00

Approved by Board of Supervisors March 3, 2015.

Date: **September 10, 2015**

To: **Woodbury County REC; Verizon; Iowa Department of Natural Resources; Siouxland District Health Department; Woodbury County: Assessor, Board of Supervisors, Department of Emergency Services, Engineer, Recorder-Real Estate Dept.; Woodbury County; City Clerk, City of Sioux City; Brent Nelson, City of Sioux City.**

From: **John Pylelo, Planning and Zoning Director - Woodbury County**

Re: **Request for Comment upon Final Platting for Water Dog Addition - a minor subdivision; GIS Parcel #874811300010.**

Roger and Jean Hassebroek have filed an application and final platting to subdivide 8.842 acres into two (2) lots. The applicants currently reside on the parent parcel within the existing single family dwelling addressed 1020 235th St. The parent parcel has a second dwelling addressed 1012 235th St. in which relatives reside. The applicants wish to split the parcel so each residence lies on an independent parcel.

The parent parcel lies within rural Woodbury County approximately 9/10 of a mile southwest of the Sioux City corporate limits. The closest intersection is ½ mile to the east at 235th St. and Allison Ave. The location is within a portion of the NE ¼ of the SW ¼ of Section 11, Liberty West Township.

The parent parcel is zoned GI (General Industrial); is not located within a special flood hazard area; and does not lie within any drainage district. The parent parcel is serviced by multiple circular drives The current and proposed residential use of the parent parcel and its structures are classified as legal and legal non-conforming use(s) within the GI zoning district designation and Woodbury County zoning ordinances. Certain of the parent parcel's structures may be exempt for Woodbury County zoning ordinances due to their agricultural use. Any structure not agriculturally exempt may have restrictions foregoing enlargement or replacement if destroyed.

Of note is the fact an access/egress easement traverses portions of proposed Lots 1 and 2 providing access from two locations along 235th St. ROW to the congruent parcel to the south currently owned by Wagner Farm Enterprises, LLC.

Please review the enclosed final platting and respond to this office with any comments or inquiries before 10:00 AM September 25, 2015. Please do not respond directly to the applicant.

A public hearing on the application and final platting will held before the Woodbury County Zoning Commission at their meeting beginning at 6:00 PM on Monday evening September 28, 2015 in the Woodbury County Courthouse Board Office Meeting Room #104, 620 Douglas St., in Downtown Sioux City, IA. If attending the public hearing please use the 7th St. Courthouse entrance. Be advised a security screening procedure is now required to enter the Woodbury County Courthouse.

Final Platting is in the Board Office for review.

You are invited....

2015 REAP ASSEMBLY

SEPTEMBER 29TH | CORRECTIONVILLE COMM. CENTER
312 DRIFTWOOD STREET, CORRECTIONVILLE, IA 51016

Are you interested in your local parks and trails? Then come help your city take part in the state's premiere outdoor recreation and conservation funding program – **Resource Enhancement And Protection (REAP)** – at your regional meeting.

For 26 years, REAP has funded nearly $300 million projects for cities, county and state parks, water quality, habitat improvements, roadside prairies, historical development and conservation education. More than $45.7 million of that has gone directly to city park and trail projects. Did you know that in your 5 county area alone, **REAP has spent over $13 million on local projects?**

This is a great opportunity to learn more about REAP and work with your constituents to share your thoughts on how to make REAP work better for your city. You will also have the chance to elect delegates to the REAP Congress that will be held in January 2016 in Des Moines. The REAP Congress will vote on priorities to send to the Governor and Legislature.

IOWA HUNGER SUMMIT

Organized by The World Food Prize

August 31, 2015

[redacted]
Woodbury County Board of Supervisors
620 Douglas St
Sioux City, IA 51101

[redacted]

I am writing to encourage you to join us on Tuesday, October 13 at the Des Moines Marriott Downtown for the **Ninth Annual Iowa Hunger Summit**, an important part of the annual World Food Prize events. **Free and open to the public**, this unique event will bring together community, business and civic leaders from across Iowa united by their interest and involvement in the fight against hunger – both at home and abroad.

Inspired by Nobel Peace Prize Laureate and Iowa hero Dr. Norman E. Borlaug, and with Governors Terry Branstad, Robert Ray, Chet Culver and Tom Vilsack serving as Honorary Co-Founders, the Hunger Summit is an all-day event highlighting our state's impact in fighting food insecurity, malnutrition and deprivation. Leading anti-hunger organizations will host **informative presentations** as well as **crucial discussions on ending domestic and international hunger**. A detailed agenda is included in the enclosed brochure.

The day's highlight will be the **Hunger Luncheon** – featuring state and international leaders, meals representing Iowa-based programs working to alleviate hunger, the presentation of the **Robert D. Ray Iowa SHARES Award** which annually recognizes an Iowan who has provided significant leadership confronting hunger at home and abroad and a keynote address by **Mr. Raymond Offenheiser, President of Oxfam America**. Under the leadership of Mr. Offenheiser since 1996, Oxfam America is a pioneer in building systemic solutions that address the root causes of poverty around the world, as well as a leader in raising awareness of the connections between hunger at home and abroad.

Here is how you can get involved in the 2015 Iowa Hunger Summit:

- **Plan to attend:** The event is free and open to all but you will need to register. You can do so at www.worldfoodprize.org/hsregister.
- **Share your story**: Throughout the year, the online **Iowa Hunger Directory** at www.iowahungerdirectory.org promotes networking and collaboration among Iowa's hunger fighters by profiling every Iowa organization, business, and civic group whose work impacts hunger in Iowa or abroad. Join the directory at www.worldfoodprize.org/shareyourstory
- **Spread the word**: Encourage others interested in hunger and nutrition issues to attend the Iowa Hunger Summit. Follow us on Twitter @IAHungerSummit

Please join us as we celebrate our common heritage of humanitarian action at the 2015 Iowa Hunger Summit, the kick-off to our World Food Prize events – known as one of "the most significant observances of World Food Day anywhere around the globe."

Sincerely,

Ambassador Kenneth M. Quinn (ret.)
President, the World Food Prize Foundation
