Please put on the board agenda to replace Diana. We would like to have someone on board right after the first of the year. Please advertise outside. It does not need to go to the SCJ because they are outrageously expensive.

SUBJECT: Social Services Department Closure

ACTION REQUIRED:

Approve Ordinance ☐	Approve Resolution ☐	Approve Motion ☒

WORDING FOR AGENDA ITEM: Social Services Department Closure Effective December 31, 2015, Discussion and Action.

EXECUTIVE SUMMARY:

BACKGROUND:

FINANCIAL IMPACT:

RECOMMENDATION:

ACTION REQUIRED/PROPOSED MOTION: Motion to Approve Social Services Department Closure Effective December 31, 2015.

Approved by Board of Supervisors March 3, 2015.

Social Services Department Closure Effective December 31, 2015

Due to the recent change in the payment and management of Medicaid claims in the State of Iowa the Woodbury County Social Services Department will cease to exist December 31, 2015. The State of Iowa has appointed MCOs (Managed Care Organizations) through an RFP process to handle the duties formerly performed by Woodbury County Case Managers.

The department previously consisted of the following personnel:

1 Social Services Coordinator/Grant Monitor	Patty Erickson-Puttmann
1 Social Worker II	Theresa Jochum
13 Case Managers	11 have termed or notified us of resignation
	Peri Bauman & Cindy Zellers are here to Dec 31
1 Eligibility Coordinator/Secretary III	Julie Albright
1 Clerk II	Diane Robinson is here to Dec 31
1 Secretary III	Ann Landers
1 Secretary	Lisa Wilson
1 Secretary (PT .40 FTE)	Heather Satterwhite is here to Dec 31
1 Aide/Shredder (PT.60)	Michael Sweisberger position not affected
1 Mental Health Advocate	Connie Barrett position not affected

Of the 13 Case Managers, 11 have been hired by one of the four MCOs. Two will stay through December 31, 2015. The two remaining Case Managers, Peri Baumann and Cindy Zellers, are to be hired by DHS (Iowa Department of Human Services) as temporary employees January 1, 2016. In summary, all 13 Case Managers will end employment with Woodbury County on or before December 31, 2015.
All employees are aware of the closing as this has been discussed with the former Social Services Coordinator and the Clerk II and the Secretary.

The Clerk II position will be eliminated entirely December 31, 2015.
The Part Time Secretary (.4 FTE) position will be eliminated although those hours will be absorbed by other departments.

2 of the remaining staff are part time with Sioux Rivers Region.

The Region itself is unaffected by this so their part time positions with Sioux Rivers will remain unaffected:

1) Social Worker II (25% Sioux Rivers and 75% Woodbury County)
2) Secretary FT (60% Sioux Rivers and 40% Woodbury County)

It has been proposed but not approved to have the two part time positions with the Sioux Rivers Region move to full time positions as shown in the table below.

Proposed Percentage of duties to Sioux Rivers Region and to Woodbury County December 31, 2015 versus January 1, 2016

	FY 2015		FY 2016		
	Woodbury County	Sioux Rivers	Woodbury County	Sioux Rivers	Position Title
Erickson-Puttman, Patty		100%	0%	100%	MHDS Service Coordinator
Albright, Julie		100%	0%	100%	Mental Health Funding Coordinator
Jochum, Theresa	75%	25%	0%	100%	MHDS Social Worker
Wilson, Lisa	40%	60%	0%	100%	MHDS Administrative Assistant/Office Manager
Landers, Ann		100%	0%	100%	Health Accounts Manager
Sweisberger, Michael		100%	0%	100%	MHDS Sioux Rivers Aide
Barrett, Connie		100%	0%	100%	Mental Health Advocate

Any change to the duties and time allocation to Sioux Rivers Region is a decision made in combination between the Board of Supervisors and Sioux Rivers Region.

Woodbury County follows the provisions laid out in the Employee Handbook:

"In the event the work force is to be reduced, the County will provide affected employees as much advance notice as is administratively practical. The least senior qualified employee in the job classification affected shall be the first laid off, unless a different criteria is required by a bargaining unit contract. Employees laid off shall have recall rights to the job classification from which they were laid off for up to six (6) months. On recall from layoff, employees will be returned to work in the reverse order in which they were laid off, if they are qualified to perform the work available.

SUBJECT: Wellmark Specialty Pharmacy and Pharmacy Management

ACTION REQUIRED:

Approve Ordinance ☐	Approve Resolution ☐	Approve Motion ☒
Give Direction ☐	Other: Informational ☐	Attachments ☒

WORDING FOR AGENDA ITEM: Wellmark Specialty Pharmacy and Pharmacy Management, Discussion and Action.

EXECUTIVE SUMMARY:

BACKGROUND: We want to honor our commitment to the bargaining units to provide the negotiated benefits, and we want to control cost without reducing benefits. To help accomplish this goal one step would be to utilize the services of Wellmark's Specialty Pharmacy to provide more complete service to our employees and their families and to save money. The savings are decent, but the key is that the savings affect the area most experts see as the source of the greatest medical inflation the next few years. This is also an area of concern as these are typically injectable drugs that must be administered correctly. Proper adherence to the medication's protocol is typically much more important than with most other meds and the specialty provider is supposed to have staff to help ensure that the patient is taking the medication as recommended. There is no increase in out of pocket cost to the employee.
While this is not a subject of bargaining because the benefits are not being changed, we want to make everyone aware of this and work with everyone in advance of any change.

FINANCIAL IMPACT:

RECOMMENDATION:

ACTION REQUIRED/PROPOSED MOTION: Motion to Approve Wellmark Pharmacy and Pharmacy Management.

WORDING FOR AGENDA ITEM: Renewal for Wellmark BCBS, Discussion and Action.

EXECUTIVE SUMMARY:

BACKGROUND:

FINANCIAL IMPACT: Our Renewal with Wellmark is January 1, 2016 and we will experience a 3.76% cost increase per single or family unit. We are overall slightly larger this year than last year so our overall "Projected" increase is 3.76%. Our fixed costs are nearly 20% higher and our claims cost is projected to be 2.60% higher. The projected financial impact is $354,235 annually.

RECOMMENDATION:

ACTION REQUIRED/PROPOSED MOTION: Motion to Approve Wellmark BCBS Renewal Effective January 1, 2016.

WORDING FOR AGENDA ITEM: Pharmacy Benefit Manager Change, Discussion

EXECUTIVE SUMMARY:

BACKGROUND: Wellmark will change PBMs (Pharmacy Benefit Managers) January 1, 2016. To get cards out to everyone timely, we need to fax the renewal tonight after the Board meeting.
Everyone will be receiving new cards, Caremark will be the new pharmacy benefits manager. This should be better for Woodbury County and our employees from a service and cost perspective. It should be completely seamless.

Permit Provisions and Conditions of Issuance

1. The County and/or the County Board of Supervisors will not be charged with any responsibility for damages to the Applicant's property occasioned by any construction or maintenance operations on said county roads, including new or additional right-of-way acquired in connection therewith, subsequent to the building of the Applicant's facilities. The Board will endeavor to give the Applicant sufficient notice of any proposed construction or maintenance work, on either existing or newly acquired right-of-way that is likely to expose, cover up, or disturb any facilities belonging to the Applicant, in order that the Applicant may arrange to protect the facilities. The Board will inform contractors, and others working on the job of the location of the facilities so that reasonable care may be taken to avoid damaging the facilities, however the County and the Board of Supervisors will assume no responsibility for failure to give such notice.

Approved 1/19/99

2. The Applicant shall take all reasonable precaution during the construction of said facilities to protect and safeguard the lives and property of the adjacent property owners and the traveling public and shall save the County and the Board of Supervisors harmless of any damages or losses that may be sustained by adjacent property owners and the traveling public on account of such construction operations.

3. Operations in the construction and maintenance of said facilities shall be carried on in such a way as to not interfere with, or interrupt traffic on said roads. However, should the performance of work called for in this permit in any way interfere with or obstruct traffic on said roads, the Applicant shall provide the necessary flagmen as required by the Statutes when one-way traffic is involved and/or otherwise mark said work so as to protect the traveling public.

4. The Applicant shall hold the County and the Board of Supervisors harmless from any damages that may result to said highway because of the construction or maintenance of said facilities and shall reimburse the County or the Board of Supervisors for any expenditures that the County or the Board of Supervisors may have to make on said roads on account of replacement of surfacing gravel and bridge and culvert repairs.

5. Applicant shall lay, construct, operate and maintain said facilities so as not to interfere with natural drainage of the road and so as not to interfere with the construction or maintenance of said roads. When buried cable or wire lines are to be placed lengthwise with the roadway, they shall be placed in the County road shoulder or ditch near the toe of the fore-slope and parallel to centerline of roadbed at a depth of three (3) to four (4) feet by using specially designed plows or by trenching, whichever is appropriate. Plow slots and trenches shall be repacked as necessary to restore the disturbed area to its original condition. For buried line crossings of roadways not paved, an open trench may be dug and the lines placed therein, and the trench back-filled over the lines. Buried line crossings on paved roadways, lines may be placed through the sub-grade by jacking, or by boring a hole just large enough to take the lines; or if the County Engineer approves, a tunnel may be dug through and the cable or wire lines placed therein. All backfill of tunnels and trenches shall be thoroughly compacted in layers of 6" or less in depth. Back-filling of trenches within the right-of-way by not under the traveled roadway shall be tamped sufficiently to avoid settlement. When crossing an existing roadway, all buried facilities shall be placed a minimum of three (3) to four (4) below the bottom of the existing adjacent ditches. Overhead lines, where practical, shall be placed adjacent to and with two (2) feet of the Road/Highway Right-of-Way Line.

6. The Applicant will at any time subsequent to placing the facilities, and at the Applicant's expense, relay, replace, alter, change, reconstruct, or relocate its overhead and/or buried facilities and appurtenances thereto as may become necessary to conform to new grades, alignment, or widening right-of-way, resulting from maintenance or construction operations by the County Board of Supervisors irrespective of whether or not additional right-of-way is acquired in connection with such road improvements. The Applicant agrees to do this within ninety (90) days written notice from the Board of Supervisors, and without cost to the County. If the Applicant is unable to comply within said ninety (90) days, the Board of Supervisors may cause the work to be done and the Applicant will pay the cost thereof upon receipt of statement.

7. All work shall be done in a workmanlike manner; the surrounding ground, slopes, and ditch bottoms shall be reshaped to conform to the area and left in a neat condition satisfactory to the County Engineer. All areas where sod has been damaged or destroyed shall be re-seeded.

8. The Applicant shall notify the County Board of Supervisors at least forty-eight (48) hours in advance of the Applicant's intention of starting work covered by this permit on the road right-of-way. Said notice shall be in writing to the County Engineer.

9. Applicant, its' successors, grantees and assigns shall and hereby agrees to assume all responsibility, risks and liabilities for all accidents and damages that may occur to persons and/or property on account of the work done under this permit, and to this end, indemnify and hold the County and all authorized representatives thereof harmless from any and all claims, damages, losses, and expense including judgements, costs and including attorney's fees, for personal injuries (including death) or property damage arising or resulting from the activities of the Applicant in connection herewith, now and at all times in the future.

10. It is understood that this permit is issued only insofar as Woodbury County has jurisdiction and does not presume to release the Applicant from fulfilling any existing statutes relating to the installation, construction and operation of said facilities.

11. It is further understood that the facilities covered by this permit shall be constructed or installed within one (1) year after the date of approval of this permit, unless otherwise extended in writing by Woodbury County.

12. Engagement in the operations as herein applied for by the Applicant shall be considered and constitute an acceptance of all the terms and conditions herein set forth.
