You are hereby notified a meeting of the Woodbury County Board of Supervisors will be held December 22, 2015 at **4:30 p.m.** in the Basement of the Courthouse, 620 Douglas Street, Sioux City, Iowa for the purpose of taking official action on the agenda items shown hereinafter and for such other business that may properly come before the Board.

This is a formal meeting during which the Board may take official action on various items of business. If you wish to speak on an item, please follow the seven participation guidelines adopted by the Board for speakers.

1. Anyone may address the Board on any agenda item after initial discussion by the Board.
2. Speakers will approach the microphone one at a time and be recognized by the Chair.
3. Speakers will give their name, spell their name, and give their address and then their statement.
4. Everyone will have an opportunity to speak. Therefore, please limit your remarks to **three minutes on any one item**.
5. At the beginning of the discussion on any item, the Chair may request statements in favor of an action be heard first followed by statements in opposition to the action.
6. Any concerns or questions you may have which do not relate directly to a scheduled item on the agenda will also be heard under the final agenda item "Citizen Concerns."
7. For the benefit of all in attendance, please turn off all cell phones and other devices while in the Board Chambers.

RE: FY 2017 Proposed Budget

Date: December 18, 2015

This memo's purpose is to provide the Board of Supervisors an overall view of the proposed Woodbury County budget for FY 2017. As everybody knows the economic environment is improving and the County's cash reserves are in line with the County's Financial Policies. These will be challenging times as there are new factors involved in getting to the end result of a balanced budget, but the County will get through this period without major disruptions in services provided to the citizens of Woodbury County.

Included in this memo are schedules that summarizes the total budget by fund, total tax asking's as they stand in the proposed budget, the tax funds that are out of balance and the County's accrued cash reserves. As the Board of Supervisors review this memo I will explain each category.

The total Proposed FY 17 budget is compared to the current FY 16 budget. **Please remember that FY 17 is only proposed at this point.** It does not include any Improvement requests that total $ 592,757.

Fund	FY 16 Appropriations	FY 17 Appropriations	Difference
General Basic	23,378,479	25,248,832	1,870,353
General Supplemental	6,019,316	6,359,406	340,090
County Services (Mental Health)	3,564,086	2,931,006	(633,080)
Debt Service	1,069,776	1,340,550	270,774
Rural Basic	1,433,975	1,427,034	(6,941)
Other Funds - Non Tax	16,113,216	15,225,507	(887,709)
Total	51,578,848	52,532,335	953,487

The County has five funds that levy taxes. They are the General Basic, General Supplemental, County Services, Debt Service and Rural Basic. In the following schedules I will show the budget short falls of revenue to expenditures, amount of new taxes without raising the tax rate and highlights by tax fund.

First I will present the status of revenue to expenditures by tax fund. **It must be remembered that this is our starting point in balancing the budget.** The county will have new availability of revenues from an increase in TIF releases from Sioux City ($133,290,733 in taxable valuation), new construction, state ordered increases and a change in rollbacks. This availability may be used to balance the County budgets. Also the County has two other options which are to find additional sources of revenues and/or decrease expenses.

Fund	Expenditures Over Revenues
General Basic Fund	$ 1,991,885
General Supplemental Fund	1,055,567
County Services (Sioux Rivers Region)	(633,080)
Debt Service	270,774
Rural Basic (Township)	205,438

The following will show what the potential tax asking's would be **if we keep the FY 17 tax rates the same** as the FY 16 tax rates. The total increase in taxable valuations amounted to $ 281,947,160 county wide and an increase of $ 18,457,005 of township purposes.

Fund	FY 16 Tax Rate	Additional Taxes
General Basic Fund	3.50000	$ 986,815
General Supplemental Fund	2.82458	796,382
County Services (Sioux Rivers Region)	N.A.	
Debt Service	N.A.	
Rural Basic (Township)	3.12277	57,637

Again the new revenues is coming from an increase in TIF releases, slight increase in rollbacks, new construction and state ordered increases.

After reviewing the overall summary, I will now highlight by major fund revenues and expenditures.

Here are the highlights of changes in the General Basic Fund:

Revenues:

1. The transfers-in for employee benefits is up $ 348,205 because of an increase in FY 17 benefits and a proposed increase of 8% in the county's share of health insurance.
2. Tax revenues will increase in this fund as the county must maintain a $3.50 tax rate which is is maximum allowed by law. This maximum rate has to be in place to enable the County to use the General Supplemental Fund. Additional taxes generated will amount to $ 986,815.
3. The new CAP program that the County Attorney has implemented is generating new revenues projected to be $ 100,000 with growth expected over the FY's ahead.

Expenditures:

1. In the Sheriff's office the expenditure codes for Food and Health Services Assistance have increased by $ 246,413 over the current FY 16. Because of the increase in the jail facility population and the requirement of medical treatment these increases are uncontrollable.
2. In building services there are several large increases. In the expenditure codes for utilities there is an increase of $ 99,508. With the new LED lights the projected cost of electricity should be reduced by a percentage related to the savings from moving to LED lights.
3. There is a 8% increase for the county share of health insurance costs which amount to an increase of approximately $ 247,631 in the General Basic Fund
4. Also the county used gaming revenues in FY 16 to offset taxes in the amount of $ 365,025. For FY 17 that option is up for discussion.

Here are the highlights of changes in the General Supplemental Fund:

Revenue:

1. Increase in care and keep of juveniles at the detention facility which will result in a projected increase of $ 213,250.
2. New taxes related to the increase in the tax base will generate $ 796,382.

Expenditures:

1. Emergency Services Allocation is proposed to increase $101,872. For FY 2016 the county used gaming revenues for vehicle and equipment purchases in the amount of $ 77,125 and also used cash reserves to hold the tax asking's down in the amount of $ 35,000.
2. There is a 8% increase for the county share of health insurance costs which amount to an increase of approximately $ 61,864 in the General Supplemental Fund.
3. In 2016 there will be a General Election that will cost the taxpayer $ 256,964.

In regards to the accrued cash reserves our General Fund for FY 2015 is at 20.41%. Our goal is to have a 22% accrued cash reserve.

The Rural Basic Fund's tax asking for FY 17 is up by $ 412,643. For FY 16 the Board of Supervisors decided to use the additional L.O.S.T. dollars deposited in the Secondary Roads fund to offset tax asking. The Supervisors have the same option for FY 17 in order to lighten the tax burden.

Last FY the Board did fund Planning & Zoning and Economic Development from L.O.S.T. Funds. This is an option the Board could exercise to assist balancing the budget.

The Debt Service Fund will increase the tax askings as the County will be adding a CIP loan for 2016 projects. The tax askings in this fund will increase by $ 291,769. With the new CIP loan, the county will have an outstanding loan balance of $ 4,047,395. The County will have used 1.31% of our debt limit which is $ 308,443,393.

The County Services (M.H.) Fund tax asking will be reduced by $ 633,080 for FY 2017.

When all is said and done, the Board of Supervisors will have to make some difficult decisions to balance the budget. There will have to be potential expenditure reductions, use the same total tax rate to generate new revenues and there will have to be a hard look at creating new revenues thru the cooperation of all Elected Officials and Department Heads.

The Board of Supervisors will complete the responsibility of balancing the budget with the taxpayers in mind in order to provide the functions and services to the citizens of Woodbury County through the most cost effective and efficient way possible.

FY 2017 should be a great year as there will be economic growth, tax base increases and creation of jobs.

I will be available for any questions that you may have.

Approved by Board of Supervisors March 3, 2015.

RESOLUTION NO. _____

Approving 2015 Amendment to Development Agreement between Woodbury County and CF Industries Nitrogen, LLC Related to State of Iowa High Quality Jobs Program

WHEREAS, Woodbury County (the "County") and CF Industries Nitrogen, LLC (the "Company") have entered into a development agreement dated as of the 9th day of September, 2013 (the "Development Agreement"), pursuant to which the Company has agreed to construct a facility (the "Project") and the County has agreed to provide certain incentives; and

WHEREAS, in the Development Agreement, the Company agreed to invest not less than $1,690,000,000 on capital improvements; and

WHEREAS, the Company now anticipates that its capital improvement investment will be not less than $2,100,000,000; and

WHEREAS, in the Development Agreement, the County agreed to provide an exemption from property taxation for new taxable valuation that would result from the construction of the Project, beginning with the January 1, 2016 tax assessment year and continuing through the January 1, 2035 tax assessment year; and

WHEREAS, it has been proposed that an amendment to the Development Agreement be approved, in the form attached to this resolution as Exhibit A (the "2015 Amendment"), which would modify the anticipated value of the Company's investment in capital improvements from $1,690,000,000 to $2,100,000,000 and would modify the Property Valuation Exemption Schedule shown as Exhibit C to the Development Agreement to add 100% exemption for valuation added in the January 1, 2015 assessment year and to delete any exemption for the January 1, 2035 assessment year;

NOW, THEREFORE, IT IS RESOLVED by the Board of Supervisors of Woodbury County, Iowa, as follows:

Section 1. The 2015 Amendment to Development Agreement attached hereto as Exhibit A is hereby approved.

Section 2. All resolutions or parts of resolutions in conflict herewith are hereby repealed.

Passed and approved _____, 2015.

EXHIBIT A

2015 AMENDMENT TO DEVELOPMENT AGREEMENT

This 2015 Amendment to Development Agreement is entered into between Woodbury County, Iowa (the "County") and CF Industries Nitrogen, LLC (the "Company") as of the ____day of December, 2015.

WHEREAS, the County and the Company have entered into a development agreement dated as of the 9th day of September, 2013 (the "Development Agreement"), pursuant to which the Company has agreed to construct a facility (the "Project") and the County has agreed to provide certain incentives; and

WHEREAS, in the Development Agreement, the Company agreed to invest not less than $1,690,000,000 on capital improvements; and

WHEREAS, the Company now anticipates that its capital improvement investment will be not less than $2,100,000,000; and

WHEREAS, in the Development Agreement, the County agreed to provide an exemption from property taxation for new taxable valuation that would result from the construction of the Project, beginning with the January 1, 2016 tax assessment year and continuing through the January 1, 2035 tax assessment year; and

WHEREAS, it has been proposed that an amendment to the Development Agreement be approved, which would modify the anticipated value of the Company's investment in capital improvements from $1,690,000,000 to $2,100,000,000 and would modify the Property Valuation Exemption Schedule shown as Exhibit C to the Development Agreement to add 100% exemption for valuation added in the January 1, 2015 assessment year and to delete any exemption for the January 1, 2035 assessment year;

NOW, THEREFORE, the parties hereto agree as follows:

The Development Agreement between the County and the Company, dated as of the 9th day of September, 2013, is hereby amended as follows:

Section 1. Paragraph 1, under "A. Company's Covenants," is hereby amended to read as follows:

"1. **Project Construction.** The Company agrees to invest not less than Two Billion, One Hundred Million Dollars ($2,100,000,000) into capital improvements, including construction work and equipment acquisition in connection with the undertaking of the Project. The amount of investment committed by the Company in this paragraph A.1 shall serve solely for purposes of determining the Company's eligibility for the Property Valuation Exemptions set forth in Section B, and shall not serve in any way to limit the amount eligible for such exemptions. If the Company satisfies its requirements under the State Agreement and this Agreement, the full amount of actual valuation added by improvements to the Property, as determined by the Woodbury County Assessor, shall be eligible for the Property Valuation Exemptions."

Section 2. Paragraph 3, under "A. Company's Covenants, is hereby amended to read as follows:

"3. **Remedy.** The Company hereby acknowledges that failure to comply with the requirements of this Section A will result in the County having the right to withhold approval of or rescind approval of the Property Valuation Exemptions under Section B of this Agreement at its reasonable discretion. The percentage of the Property Valuation Exemptions to be withheld by the County pursuant to this paragraph shall not exceed the greater of the following two percentages:

- the percentage shortfall between the amount actually invested by the Company in improvements and the $2,100,000,000 minimum investment pledged by the Company in this Agreement; or

- the percentage shortfall between the number of jobs actually created by the Company and the 100 new jobs pledged by the Company in this Agreement.

The County will notify the Company whenever the County becomes aware that the Company has failed to comply with the requirements of this Section A. The County will provide the Company with 90 business days from receipt of written notice to cure any deficiency that has resulted in the failure to comply with requirements of this Section A."

Section 3. Exhibit C "Property Valuation Exemption Schedule" is hereby amended to read as follows:

Exhibit C

Property Valuation Exemption Schedule

Assessment Year	Exemption Percentage
2015	100%
2016	100%
2017	96%
2018	91%
2019	87%
2020	82%
2021	78%
2022	74%
2023	69%
2024	65%
2025	60%
2026	56%
2027	52%
2028	47%
2029	43%
2030	38%
2031	34%
2032	30%
2033	25%
2034	21%"

Section 4. This 2015 Amendment to Development Agreement shall be effective retroactively to the date of the Development Agreement, September 9, 2013.

The County and the Company have caused this Agreement to be signed, in their names and on their behalf by their duly authorized officers, all as of the day and date written above.

WOODBURY COUNTY BOARD OF SUPERVISORS AGENDA ITEM(S) #10

Date: _12/11/15_____

Weekly Agenda Date: __ 12/22/15

ELECTED OFFICIAL / DEPARTMENT HEAD / CITIZEN: WCICC-IT Director, John Malloy

SUBJECT: Reappointment of Citizen Representative, Jeff Sypersma, to the WCICC Commission

ACTION REQUIRED:

Approve Ordinance ☐	Approve Resolution ☐	Approve Motion ☒
Give Direction ☐	Other: Informational ☐	Attachments ☒

WORDING FOR AGENDA ITEM: Motion to approve the reappointment of Citizen Chairperson, Jeff Sypersma, to the Woodbury County Information and Communication Commission for a year term expiring December 31, 2018

EXECUTIVE SUMMARY: The 28E Agreement between Woodbury County and the City of Sioux City which creates the WCICC Board requires that the Citizen Representative serving on the Commission be approved by the City Council and by the Woodbury County Board of Supervisors. The Commission is recommending that Jeff Sypersma be approved for another three year term which will expire December 31, 2018.

BACKGROUND: Per Amendment No. 1 to the Intergovernmental Agreement creating the Woodbury County Information and Communications Commission between the City of Sioux City, Iowa and Woodbury County, Iowa, the Citizen Chairperson may serve additional three year terms subject to approval on the Sioux City Council and the Woodbury County Board of Supervisors.

FINANCIAL IMPACT: N/A

RECOMMENDATION: Staff requests the Woodbury County Board of Supervisors approve the motion designating Jeff Sypersma as the Citizen Representative on the Woodbury County Information and Communication Commission for a three year term expiring December 31, 2018.

ACTION REQUIRED / PROPOSED MOTION:

Approved by Board of Supervisors March 3, 2015. Revised May 5, 2015.

Re: **Board of Supervisors Meeting Agenda Items for Tuesday December 22, 2015**

Planning and Zoning – John Pylelo, Director

Consideration of applicants and make appointment to fill one expiring term on the Woodbury County Board of Adjustment.

On December 31, 2015 Board of Adjustment member Brian Crichton's term on the Woodbury County Board of Adjustment will expire. He is to be commended for his service to Woodbury County. Mr. Crichton has completed his second 5 year term and has submitted an application for re-appointment. However, it has been the county's past policy to not consider applications which would result in an applicant serving a third or more consecutive term.

Iowa code states Supervisors shall attempt to provide gender balance when making appointments. The code provides direction that the attempt be made toward two of our five Board of Adjustment members being female. The Planning and Zoning office attempts to solicit applications from both genders. As the carry over makeup of the Board will be two (2) females and two (2) males the Board of Adjustment membership will remain compliant with Iowa Code no matter the gender of the selected applicant.

Iowa Code provides that three (3) of the five (5) or Board of Adjustment's members must reside within the unincorporated area of Woodbury County. The residency for Board of Adjustment carryover members provides (4) members from unincorporated areas. Board of Adjustment membership will remain compliant with Iowa Code no matter the Woodbury County residency of the selected applicant.

The following individuals have submitted Board of Adjustment applications meeting the gender and residency tests. They request your consideration for Board of Adjustment appointment for the term January 1, 2016 through December 31, 2020.

WOODBURY COUNTY BOARD OF SUPERVISORS AGENDA ITEM(S)

Date: December 17, 2015

Weekly Agenda Date: December 22, 2015

DEPARTMENT HEAD / CITIZEN: John Pylelo, Director Planning and Zoning

SUBJECT: Consideration of applicants and make appointment to fill one expiring term on the Woodbury County Zoning Commission.

ACTION REQUIRED:

Approve Ordinance ☐	Approve Resolution ☐	Approve Motion ☒
Public Hearing ☐	Give Direction ☐	Other: Informational ☐
Attachments ☒		

WORDING FOR AGENDA ITEM: Consideration of applicants and make appointment to fill one expiring term on the Woodbury County Zoning Commission.

EXECUTIVE SUMMARY: See Narrative Attached

BACKGROUND: See Narrative Attached

FINANCIAL IMPACT: None

RECOMMENDATION: None

ACTION REQUIRED: *"Motion to appoint (selected applicant) to a five year term (2016-2020) on the Woodbury County Zoning Commission."*

Approved by Board of Supervisors March 3, 2015.

Consideration of applicants and make appointment to fill one expiring term on the Woodbury County Zoning Commission.

On December 31, 2015 Commission member Christine Zellmer-Zant's term on the Woodbury County Zoning Commission will expire. She is to be commended for her service to Woodbury County. Mrs. Zellmer-Zant has completed her second 5 year term and has submitted an application for re-appointment. However, it has been the county's past policy to not consider applications which would result in an applicant serving a third or more consecutive term.

Iowa code states Supervisors shall attempt to provide gender balance when making appointments. The code provides direction that the attempt be made toward two of our five Zoning Commission members being female. As the carry over makeup of the Commission will be one (1) female and three (3) males the Zoning Commission's membership will not meet the Iowa Code standard unless a female applicant is appointed.

You will note the applicant pool for consideration does not include a female applicant for consideration as no female application has been received. This fact has occurred for at least two reasons; first, that serving on the Commission is incorrectly seen as an all-male arena; and second, the pool of female applicant's has been depleted by previous year female appointments.

It would appear the Supervisors have the following options:

1. To table the appointment in the hope of one or more otherwise acceptable female application(s) will be filed. Note: the Commission's first 2016 meeting date is scheduled for January 25th.
2. Waive the consecutive term limit policy and re-appoint Christine Zellmer-Zant to the Commission.
3. Appoint one of the otherwise qualifying male applicants.

Iowa Code provides that three (3) of the five (5) Zoning Commission members must reside within the unincorporated area of Woodbury County. The residency of the Commission's carryover members provides three (3) members from unincorporated areas. Zoning Commission membership will remain compliant with Iowa Code no matter the Woodbury County residency of the selected applicant.

The following individuals have submitted Zoning Commission applications meeting the residency tests. They request your consideration for Zoning Commission appointment for the term January 1, 2016 through December 31, 2020.

Application For: Planning and Zoning **(Board/Commission)**

Date 17 Jun 2015 **E-mail Address** shawn.streck@ang.af.mil

Name Shawn R. Streck

Address 501 Wild Plum Way

Phone Number 712.943.7196 **Fax Number**

Business Phone 712.233.0601 **Cell Phone** 712.212.1920

This form assists the Board of Supervisors in evaluating the qualifications of applicants for appointment to a board or commission. State law requires political subdivisions to make a good faith effort to balance most appointive boards, commissions, committees, and councils according to gender by January 1, 2012, and each year thereafter.

☐**Female** ☒**Male**

■ **Are you a qualified Elector in Woodbury County?** ☑**Yes** ☐**No**

■ **Do you live within:**

☐ **Rural Woodbury County?** ☒ **Corporate limits of a city/town of Woodbury County?**

Place of employment and position (and/or activities such as hobbies, volunteer work, etc. that you feel may qualify you for this position):

Employment: 185 ARW Deputy Maintenance Group Commander

Volunteer Work: Siouxland Chamber Ambassador, Sgt Bluff Planning and Zoning, American Red Cross Board (2002-2011), Kiwanis (2002-2009)

Education: Masters in Public Admin, Undergrad from USD in Accounting

The following questions will assist the Board of Supervisors in its selection.

■ **How much time will you be willing to devote in this position?**

3-5 hours a month

■ **Interest in Appointment: Describe in detail why you are interested in serving on a county board or commission. Include information about your background that supports your interest.**

Planning is the key to success of all organizations. I feel planning and zoning is an important part of ensuring Woodbury County keeps the motivation and momentum going forward that has made it a prosperous county. I would like to contribute my 8 yrs of experience from Sgt. Bluff P&Z and twenty plus yrs of military experience to help in this effort.

■ **Contributions you feel you can make to the Board/Commission:**

- Experience from current P&Z appointment with Sgt. Bluff
- Application of education in Public Admin and Accounting
- Willingness to learn, work with the team and look for solutions to issues that come before the county

■ **Direction/role you perceive of this Board/Commission:**

I perceive a positive outlook from both the Board and the Commission. I feel an overall growth position has been established. I also feel that the vision has been set and that Woodbury county will be a leader in the future.

■ **In lieu of/in addition to the above, do you have any comments to add that may assist the Board of Supervisors in its selection?**

Please see attached resume for any questions.

■ **Please provide two references who may be contacted on your qualifications for this position.**

POSITIONS/ DUTIES

Deputy Maintenance Group Commander (AFSC: C21A3)
Responsible for manning, training, and readiness of 250 Maintenance Group personnel. Provides aircraft and equipment maintenance, combat sortie generation and munitions required by Air Refueling Wing. Manages the Wing Quality Assurance and Maintenance Training Programs. Manages and administers maintenance activities, develops policies and procedures while providing guidance to Wing leadership. Works with functional managers to develop, formulate and manage fiscal resources. Lead identifier in assessing and evaluating procedures to determine effectiveness to meet mission requirements. Manages the promotions, assignments, and training of all personnel assigned to the Maintenance Group.
185th Air Refueling Wing, Sioux City, IA; Aug 2014 to present

Maintenance Squadron Commander (AFSC: C21A3)
Directs overall KC-135 aircraft maintenance and repair network activities. Maintains workforce discipline and responds to personnel issues while balancing workforce availability and skill levels with operational requirements. Ensures adherence to technical data, policy, procedures and safe maintenance practices. Develops, coordinates and executes flying and maintenance schedules. Manages aircraft daily servicing and repair of aircraft components. Manages overall aircraft fleet health. Analyzes aircraft maintenance indicators to identify trends and initiates corrective actions. Additionally, directly responsible for supervision and workflow of Air National Guard Paint Facility. Paint Facility provides a scuff/sand and paint capability for A-10, F-15, F-16 and H-60 aircraft.
185th Air Refueling Wing, Sioux City, IA; Oct 2009 to Aug 2014

Comptroller (AFSC: 065F3)
Served as the Chief Financial Officer of the 185th Air Refueling Wing and 133rd Test Squadron. Determined the impacts and recommended courses of action on projected DOD, OSD, USAF and NGB programs. Provided leadership to senior-level committees and task groups, contributed substantially to policy formulation. Implemented and administered laws, procedures, regulation and directives pertaining to various ANG financial systems, including Budget, Accounting, Disbursing and Financial Services. Directed and continuously monitored the financial plan formulation and execution under the Resource Management System.
185th Air Refueling Wing, Sioux City, IA; Mar 2001 to Sept 2009

Budget Officer (AFSC: 065F3)
Formulated annual operating budgets and financial plans. Applied budget techniques in the formulation and execution of the base financial plan which required a detailed knowledge of management policies, presidents, procedures goals and Air Force regulations. Analyzed budgetary relationships and developed recommendations for management. Analyzed completeness, accuracy and reasonableness of information. Advised the Financial Management Board on projected requirements and recommended courses of action concerning the amount, purpose, source and timing of resources.
185th Air Refueling Wing, Sioux City, IA; Feb 1997 to Feb 2001

Business Assurance and Computer Assurance Associate
Key contributor to the completion of both public and private company audits and consulting projects. Planning duties included flowcharting and reviews of accounting applications and control procedures. Fieldwork duties included testing of financially significant accounting functions and drafting of management letters for deficiencies noted during the period under review. Major clients serviced include Gateway 2000 Inc., IBP Inc. and Peter Kiewit.
Coopers & Lybrand L.L.P., Landmark Center, Omaha, NE; 1996 to 1997

HONORS/ ACTIVITIES

Siouxland Chamber Ambassador – 2013 to present
Sgt. Bluff Planning and Zoning Committee Member – 2007 to present
American Red Cross Board Member – 2002 to 2011
Santa's House Chairman – 2007 to 2009

WOODBURY COUNTY BOARD OF SUPERVISORS AGENDA ITEM(S)

#12a

Date: 12/17/2015
Weekly Agenda Date: 12/22/2015

ELECTED OFFICIAL / DEPARTMENT HEAD / CITIZEN: Emergency Services, Gary Brown

SUBJECT: **Funding from CF Industries**

ACTION REQUIRED:

Approve Ordinance ☐	Approve Resolution ☐	Approve Motion ☒
Give Direction ☐	Other: Informational ☒	Attachments ☐

WORDING FOR AGENDA ITEM: Emergency Services-Gary Brown

a. Information Only-Donation from CF Industries

EXECUTIVE SUMMARY:

Information Only-Funding from CF Industries and performance Contractors

Woodbury County Emergency Services would like to inform the Woodbury County Board of Supervisors that on Friday, December 18th CF Industries announced they have chosen the Sioux City Hazmat Team, Woodbury County Emergency Services and the Rural Woodbury County Fire and EMS Departments for a generous donation of $37,324.00 to express their appreciation and continued support of Woodbury County Fire and EMS.

BACKGROUND:

In November of 2012 CF Industries announced a $1.7 billion dollar expansion of their Port Neal Plant, located in the Southwest portion of Woodbury County. This expansion would include a state of the art ammonia and granular urea production unit with a new warehouse that will store 154,000 tons of product. With expansions of this size it will bring several contractors and an influx of people into our county and surrounding areas. The positive impacts are increases of county and city revenues, growths in employment opportunities, and the rental/real estate industry. With the sudden surge of funding and rise of populations in our county and communities CF Industries recognizes the impacts to all Public Safety. CF Industries continues to work closely with area law enforcement, fire departments and ambulance services to ensure they have the plans, tools and the proper training to address these changing needs in our communities.

FINANCIAL IMPACT:

The financial impact will be positive for the Sioux City Hazmat Team, Woodbury County Emergency Services and all Woodbury County Rural Fire & EMS Departments. With a donation of $37,324.00 CF Industries has chosen the following projects:

$1,200.00 Sponsor the Keynote Speakers for Regional Fire School & the Emergency Conference

The Regional Fire School and Emergency Conference are held annually in Sioux City each spring and approximately 350-400 area firefighters and emergency medical technicians are in attendance at each event. The conferences strive to provide local responders the opportunity to hear speakers whom are of the highest quality and are considered leaders in their field of expertise. CF Industries' donation will minimize the financial burden of hosting the conference; this will allow the planning committees to keep cost to participate reasonable, as area departments pay for their members to attend.

$14,124 Four Hand-Held Multi-Detection Gas Monitors for the Sioux City Hazmat Team

Sioux City Fire Hazmat Team provides Hazardous Materials response to 12 counties in Northwestern Iowa and Dakota County, Nebraska. The HazMat Team is trained specifically to respond to incidents of a hazmat nature with a knowledgeable crew and specific equipment that allows them to assist the first responders to monitor the air at incidents that involve chemicals of all origins. CF Industries' donation will allow for the purchase four new RAE Systems hand-held monitors, software and lifetime licenses for each unit.

$22,000 for the Purchase of 13 Hand-Held Gas Monitors for Anhydrous Ammonia

According to Woodbury County EMS, on most any given day in rural Woodbury County there are approximately 380,000 gallons of anhydrous ammonia in storage facilities throughout our small communities. In addition, during the times of high demand for anhydrous ammonia, there are 500 or more nurse tanks transporting tons of anhydrous ammonia to individual customers.
CF Industries' donation will allow for the purchase of 13 hand-held gas monitor units for each of the county's fire departments and Emergency Services. This will ensure that each fire department in every community will have the correct equipment to safely and quickly identify releases of anhydrous ammonia. The monitors to be purchased are the same units currently used by CF Industries and Sioux City Fire Hazmat Team.

RECOMMENDATION:

Woodbury County Emergency Services recommends the Board of Supervisor accept the donation from CF Industries for the projects mentioned.

ACTION REQUIRED / PROPOSED MOTION:

Information only no action needed.

Approved by Board of Supervisors March 3, 2015. Revised May 5, 2015.

WOODBURY COUNTY BOARD OF SUPERVISORS AGENDA ITEM(S)

#12b

Date: 12/17/2015
Weekly Agenda Date: 12/22/2015

ELECTED OFFICIAL / DEPARTMENT HEAD / CITIZEN: Emergency Services, Gary Brow

SUBJECT: **Funding from CF Industries**

ACTION REQUIRED:

Approve Ordinance ☐ Approve Resolution ☐ Approve Motion ☒

Give Direction ☐ Other: Informational ☒ Attachments ☐

WORDING FOR AGENDA ITEM: Emergency Services-Gary Brown

a. Information Only-Donation from Performance Contractors, INC.

EXECUTIVE SUMMARY:

Information Only-Funding from CF Industries and performance Contractors

Woodbury County Emergency Services would like to inform the Woodbury County Board of Supervisors that on Friday, December 18th Performance Contractors, INC. announced they have chosen Woodbury County Emergency Services for a generous donation of $1,000.00 to express their appreciation and continued support of Woodbury County Emergency Services Department located in Climbing Hill, IA.

BACKGROUND:

In November of 2012 CF Industries announced a $1.7 billion dollar expansion of their Port Neal Plant, located in the Southwest portion of Woodbury County. This expansion would include a state of the art ammonia and granular urea production unit with a new warehouse that will store 154,000 tons of product. With expansions of this size it will several contractors and people into our county and surrounding areas. This project is having positive impacts on county/city revenues, increases in employment opportunities and the home sales and real estate businesses. With the sudden surge of funding and populations in our county CF Industries along with Performance Contractors, INC. recognizes the impacts to all Fire & EMS responders that provide public safety. CF Industries and other contractors participating in the project continue to work ensure all responders have proper training and equipment to address these changing needs in our communities. Emergency Services responds when requested with all rural Woodbury County fire departments and ambulance services 24/7, 365 days a year. This department is located in Climbing Hill and has seven employees; a Director, Administrative Assistant, 3 Full-time Operational Officers and 2 Part-Time Operational Officers. While the office hours are Monday-Friday 8:30am-4:30pm, there is one Operational Officer that stay at the facility and utilize the kitchen and bath facilities and sleeping quarters.

FINANCIAL IMPACT:

The financial impact will be positive Woodbury County Emergency Services with a donation of $1,000.00 Woodbury County Emergency Services will be able to supply needed kitchen furniture and kitchen supplies in the new kitchen area that is currently being renovated.

RECOMMENDATION:

Woodbury County Emergency Services recommends the Board of Supervisor accept Performance Contractors, INC. for the donation of $1,000.00..

ACTION REQUIRED / PROPOSED MOTION:

Information only no action needed.

WOODBURY COUNTY BOARD OF SUPERVISORS AGENDA ITEM

Date: December 17, 2015

Weekly Agenda Date: December 22, 2015

DEPARTMENT HEAD / CITIZEN: Mark J. Nahra P.E. Secondary Roads Dept Head

SUBJECT: **Second Reading – REVISION TO ORDINANCE NO. 1 - AN ORDINANCE TO ESTABLISH THE POLICY AND LEVEL OF SERVICE IN RESPECT TO CLEARANCE OF SNOW OR ICE AND MAINTENANCE OF THIS COUNTY'S SECONDARY ROADS DURING THE WINTER MONTHS**

ACTION REQUIRED:

Approve Ordinance ☒	Approve Resolution ☐	Approve Motion ☐
Give Direction ☐	Other: Informational ☐	Attachments ☐

WORDING FOR AGENDA ITEM: Second Reading – REVISION TO ORDINANCE NO. 1 - AN ORDINANCE TO ESTABLISH THE POLICY AND LEVEL OF SERVICE IN RESPECT TO CLEARANCE OF SNOW OR ICE AND MAINTENANCE OF THIS COUNTY'S SECONDARY ROADS DURING THE WINTER MONTHS

EXECUTIVE SUMMARY: The attached policy was reviewed and discussed by the Board at their November 10, 2015 meeting. The original ordinance, approved in 1985, has not been revised since drafted. The proposed language was also discussed at meetings with Emergency Services and the County Sheriff's department. Language has been added to the county ordinance as recommended by the Iowa County Engineers Association. The additional language recommended by ICEA is a result of experience gained from court decisions based on provisions of the snow ordinance passed by member counties. The proposed new language also creates a new level of snow and ice removal service in heavily industrialized areas of the county.

BACKGROUND: The secondary road department is reviewing all operating policies in cooperation with the Board of Supervisors. This is one of the latest policies presented for review and approval.

FINANCIAL IMPACT: These policies will have minimal effect on the county budget as the level of service for snow removal is changed minimally with the proposed changes language

RECOMMENDATION: I recommend the approval of the ordinance as submitted and that the third reading of the ordinance be scheduled for the next board meeting.

ACTION REQUIRED/PROPOSED MOTION: Motion to approve the revised Woodbury County Ordinance number 1 as submitted and direct the county engineer to schedule the third reading of the ordinance.

WOODBURY COUNTY

ORDINANCE NO. 1

AN ORDINANCE TO ESTABLISH THE POLICY AND LEVEL OF SERVICE IN RESPECT TO CLEARANCE OF SNOW OR ICE AND MAINTENANCE OF THIS COUNTY'S SECONDARY ROADS DURING THE WINTER MONTHS.

BE IT ORDAINED BY THE BOARD OF SUPERVISORS OF WOODBURY COUNTY:

SECTION 1 -- PURPOSE

The purpose of this ordinance is to establish this County's policy and level of service in respect to clearance of snow or ice and maintenance of its secondary road system during the winter months, as provided in Section 668.10, Code of Iowa, and pursuant to the provisions of Section 309.67, Code of Iowa. This policy and level of service are to be implemented within the amount of money budgeted for this service, and as contained in this County's secondary road budget as submitted to and approved by the Iowa Department of Transportation and adopted by the Board of Supervisors. The clearing of roads at any cost is not the County's policy.

SECTION 2 -- LEVEL OF SERVICE

Clearance of snow or ice and maintenance of the secondary road system during the winter months is primarily for the benefit of the local residents of this County. Each storm has individual characteristics and must be dealt with accordingly. The portion of the roadway improved for travel will have upon it snow and ice in compacted condition. These conditions may be continuous, or they may be more concentrated on hills, in valleys, curves, and/or intersections. The County's existing snow removal equipment will be utilized for this purpose. On occasion, County personnel may be rendered unavailable due to the provisions of the Omnibus Transportation Employee Testing Act of 1991. Except for "emergencies" as determined by the County Engineer's professional judgment, or his/her designee acting in his/her absence, on a case by case basis, all clearance of snow or ice, sanding, salting, and other maintenance respecting winter conditions shall be accomplished within the amount of money budgeted for this service and as practicable. The entire width of that portion of the road improved for travel may not be cleared of snow, ice, compacted snow and ice, or frost. Snow cleared from that part of the roadway improved for travel shall be placed on or in the adjacent shoulder, ditch, or right of way. Snow can be expected to accumulate adjacent to the traveled portion to the extent that a motorist's sight distance to both the left and right may be greatly reduced or impaired. The snow removed from intersections will be piled in its corners in piles of unequal height. The lines of sight, sight distance, or visibility of motorists approaching these intersections may be greatly reduced or impaired. The County shall not be responsible for snow

pushed or otherwise placed on the roadway or shoulders by others. Motorists shall drive their vehicles during these conditions with additional caution and watchfulness, especially in respect to the surface of the roadway, and reduced or impaired visibility, and are advised to reduce their speed at least 25 miles per hour below that legally permitted or advised under normal conditions. In respect to roadways that have only one lane open, further extreme watchfulness and caution should be exercised by the motorist, and their speed should not exceed 10 miles per hour. During these conditions, no additional warning or regulatory signs will be placed warning of impaired sight distances, visibility at intersections, road blockages, one-lane conditions, or that the road surface is slick or slippery, or what the advised speed should be.

When snow obstructs all or a portion of the right half of the roadway, it may be necessary for snow clearing equipment to be driven to the left of center of the roadway while clearing snow. Unoccupied vehicles that obstruct the traveled way or impede removal of snow from the roadway may be removed from the roadway or shoulders of the road by county personnel or towed as necessary. .

SECTION 3 -- SEQUENCE OF SERVICE

In the implementation of snow and ice removal and other maintenance of the County's secondary road system during the winter months, the County Engineer shall select the actual sequence of roads to be cleared as provided for in this section of the ordinance, and shall determine when drifting, wind velocity, and additional snow or snowstorms require that the snow removal equipment be removed from the roadway, or that additional clearance of paved roads be accomplished prior to the clearance of gravel and dirt roads. The County Engineer's professional judgment, or his/her designee's, shall prevail.

PAVED ROUTES

1. The initial effort will be to get all routes open to one-lane traffic as soon as possible and or practicable. During initial snow removal operations, paved roads may only have one lane plowed for a period of time.
2. After one-lane travel is possible, subsequent snow removal will be carried on during normal working hours.
3. The truck mounted snow plows and spreaders will normally be in operation from 6:00 AM to 5:00 PM. The trucks may be called off the road if snow and/or blowing snow reduces visibility to hazardous working conditions, in the professional judgment of the Engineer or his delegated representative.
4. When required, due to drifting snow, motor graders may be used to keep the paved roads open and the opening of gravel may be delayed.
5. It is not the policy of the County to provide a "dry" pavement condition.
6. After roads have been plowed, as provided in this section, intersections, hills, and curves may, but not necessarily, have placed on them, salt, sand, or other abrasives. These intersections, hills, and curves may not be resanded, resalted, or have other abrasives replaced on them between snowstorms.

7. Snow removal operations on designated essential industrial routes will commence at 4:30 AM and may be extended until 5:30 PM, depending upon storm conditions. Designated routes will be reviewed and designated annually by review of the Board of Supervisors in consultation with the county engineer. Essential industrial routes typically serve industries with 24 hour operations and include power plants and chemical plants. Snow removal service hours will be extended for these industries to assure required personnel shift changes at these industries.

UNPAVED ROADS

1. The initial effort will be to get all routes opened to one-lane traffic as soon as possible and/or practicable after a storm has passed.

2. After one-lane travel is possible, subsequent snow removal will be carried on during normal working hours.

3. Motor graders and/or truck plows will normally be in operation during daylight hours. Gravel roads may not be plowed if the wind is causing continual drifting. The motor graders and/or truck plows may be called off the road if snow and blowing reduces visibility to hazardous working conditions, in the professional judgment of the Engineer or his delegated representative.

4. Snow may not be removed from dirt roads or roads designated at Level B.

5. Excessive snow accumulation from snow storms and blizzards may require that snow removal operations be limited to those roads which have residences located along them. It may be necessary to provide access to some residences from one direction only, and roads with no residences may not be opened.

PRIVATE DRIVES

The County will not clear snow from private drives or any road that is not part of the secondary road system, unless said road is covered by a maintenance agreement, except in an emergency as defined in Section 5 of this ordinance. Normal snow removal operations may result in snow being deposited in private drives. Snow from private drives shall not be placed on the roadway or shoulders.

There is no time limit after a snowstorm in which any of the above sequence of clearance, on paved or unpaved roads, shall take place.

MAILBOX REPLACEMENT

The County will assume no liability for mailboxes and fences damaged because of snow removal unless such action can be determined to be malicious or by direct contact with a plow or

wing blade. The County will not replace or repair mailboxes damaged or knocked down by the force of snow thrown from the plow.

SECTION 4 -- LIMITATION OF SERVICE

Notwithstanding anything else stated in this ordinance, the policy and level of service provided for in this ordinance shall not include the following, and the following services shall not be performed:

1. Sanding, salting, or placing other abrasives upon the roadways that are slick, slippery, and dangerous due to the formation of frost.

2. Sanding, salting, or placing of other abrasives upon paved roadways due to freezing rain that occurs during the hours of darkness.

3. Placing of additional warning or regulatory signs warning of impaired sight distances, visibility at intersections, road blockages, one-lane conditions, or that the road surface is slick or slippery, or what the advised speed should be.

4. Sanding, salting, or placing abrasives upon any road, except for paved roads. If in the opinion of the County Engineer, or his/her designee, an "emergency" exists and ice has built up on hills and intersections on the gravel system that slope down to another road so as to become dangerous, abrasive material may be applied at these locations as crew and equipment availability allows and only as a last resort. This condition will not, under any circumstances, take a higher priority than placing of abrasive material on the paved road system and will only be done after the paved roads are cleared of ice and snow. Abrasive material will also only be placed after other mechanical means have been tried and failed, such as scraping with motor graders.

5. Re-sanding or re-salting for freezing and thawing between snowstorms.

6. Removing of sand, salt, or other abrasives.

7. Plowing, sanding, salting, or placing of abrasives on any road that is not within the jurisdiction of the county, unless it is agreed to do so by a 28-E Agreement between the county and the entity having jurisdiction of the road.

SECTION 5 -- EMERGENCY

Service or the level or sequence of service may be suspended during "Emergency" conditions. An "Emergency" condition shall be considered as one where loss of life is probable, where a serious injury has occurred, or where extensive loss of property is imminent. The County may respond to all "Emergency" conditions, either during or after a snowstorm.

These conditions should be verified through the Sheriff's Office or County E911 Dispatch. Any person who makes a false report of an "Emergency" to an officer, official, or employee of Woodbury County or who causes a false report to be so made shall, upon conviction, be subject to a fine of not more than $100.00 or imprisonment of not more than 30 days in the County jail.

Winter road conditions can degrade to where travel is unsafe and vehicles and passengers who become snowbound outside of shelter can face life threatening conditions. Road users need to remain aware of weather and traveler advisories. Upon declaration by law enforcement or National Weather Service that no travel is advised, and that highways, including interstates, are closed and state and county plows have been called off the roads, drivers have two hours to seek shelter and get off of county roads. If a driver becomes snowbound two or more hours after a "no travel advisory" is issued and requires rescue after becoming snowbound, the driver may be billed the cost of county staff and equipment time necessary to respond to the location where the driver is stranded.

The provisions of this ordinance shall be further suspended in the event the Governor, by proclamation, implements the State Disaster Plan, or the Chairman of the Board of Supervisors, by proclamation, implements the County Disaster Plan. If such occurs, the County personnel and equipment shall be immediately subject to the direction of the Governor or the Chairman of the Board of Supervisors.

SECTION 6 – REPEALER

All ordinances and resolutions, or parts thereof, in conflict herewith are hereby repealed.

SECTION 7 -- SEVERABILITY CLAUSE

If any section, provision, or part of this ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the ordinance as a whole or any section, provision, or part thereof not adjudged invalid or unconstitutional.

SECTION 8 -- WHEN EFFECTIVE

This ordinance shall be in effect immediately after its final passage and publication as provided by law.

WOODBURY COUNTY BOARD OF SUPERVISORS AGENDA ITEM(S) RE

Date: December 17, 2015

Weekly Agenda Date: December 22, 2015

DEPARTMENT HEAD / CITIZEN: Mark J. Nahra P.E. Secondary Roads Dept Head

SUBJECT: **Second Reading – AN ORDINANCE TO ESTABLISH A POLICY FOR THE CONSTRUCTION AND RECONSTRUCTION OF ROADWAYS AND BRIDGES ON THE WOODBURY COUNTY SECONDARY ROAD SYSTEM**

ACTION REQUIRED:

Approve Ordinance ☒	Approve Resolution ☐	Approve Motion ☐
Give Direction ☐	Other: Informational ☐	Attachments ☐

WORDING FOR AGENDA ITEM: Second Reading – AN ORDINANCE TO ESTABLISH A POLICY FOR THE CONSTRUCTION AND RECONSTRUCTION OF ROADWAYS AND BRIDGES ON THE WOODBURY COUNTY SECONDARY ROAD SYSTEM

EXECUTIVE SUMMARY: During storm events, existing roads, pavements, culverts, and bridges are sometimes destroyed and replacement of the damaged infrastructure is required. In the case of bridges and culverts in particular, it makes little sense to replace a hydraulically undersized bridge with another bridge of the same size and configuration. It also is not cost effective to build a replacement structure that does not meet current standards for deck width or load carrying capacity.

FEMA standards only restore destroyed secondary road assets to pre-flood conditions. FEMA will allow bridges and culverts to be built to current design standards if the county has a written policy, approved by the Board of Supervisors, on record prior to a disaster event. In 1994, the county passed a resolution to replace all bridges with a new bridge that has a minimum 30' deck width. This resolution has been our governing policy since that date. Following the 2014 flood, FEMA has informed our office that for future upgraded replacement structures to be built, this policy must be in the form of an ordinance. A proposed ordinance is attached to this information sheet.

BACKGROUND: The secondary road department is reviewing all operating policies in cooperation with the Board of Supervisors. Prior to another disaster, the county needs to have this ordinance in place if we are to successfully be able to apply FEMA funds to replace destroyed county bridges and culverts to meet current design standards.

FINANCIAL IMPACT: These policies will affect future county construction work post disaster. County bridge, culvert, pavement, and road replacements are already built to this standard, but this ordinance assures that we will be able to use disaster aid to construct structures to the standards to which we otherwise build or replace county infrastructure. The county pays a minimum of 15% of the cost of repair/recovery costs of FEMA eligible disasters. Structures built to current standards tend to be more costly to construct than the smaller, obsolete structures they replace.

RECOMMENDATION: I recommend the approval of the ordinance as submitted and that the third reading of the ordinance be scheduled for the next board meeting.

ACTION REQUIRED/PROPOSED MOTION: Motion to approve the Woodbury County Ordinance to establish a policy for the construction and reconstruction of roadways and bridges on the Woodbury County Secondary Road System and direct the county engineer to schedule a third reading of the ordinance.

WOODBURY COUNTY

ORDINANCE NO. _____

AN ORDINANCE TO ESTABLISH A POLICY FOR THE CONSTRUCTION AND RECONSTRUCTION OF ROADWAYS AND BRIDGES ON THE WOODBURY COUNTY SECONDARY ROAD SYSTEM.

BE IT ORDAINED BY THE BOARD OF SUPERVISORS WOODBURY COUNTY:

SECTION 1 -- PURPOSE

The purpose of this ordinance is to establish Woodbury County's policy for the construction of roads, reconstruction of roads, construction of bridges, reconstruction of bridges and other roadway and drainage features associated with road and bridge construction.

SECTION 2 -- LEVEL OF SERVICE

The level of service shall be based on traffic counts, pavement type, roadway geometrics and other data used in accepted engineering design as established by the County Engineer, Iowa Department of Transportation and the Federal Highway Administration.

SECTION 3 – DESIGN CRITERIA

In implementation, this policy shall set the minimum design standards that Woodbury County will follow in the construction or reconstruction of roads and bridges. These criteria shall be based on accepted engineering practices and standards established by the Iowa Department of Transportation and the Federal Highway Administration.

The County Engineer shall assure the minimum design standards established herein are adhered to in a uniform manner unless, in his or her professional judgment, a deviation from standards is warranted. Minimum design standards are not subject to discretionary enforcement. Any deviations must be documented as unreasonable and or impossible to implement by the County Engineer and/or the County Board of Supervisors.

PAVED ROUTES

A) New Pavement

1) New pavement shall be constructed with a minimum 22' wide pavement and granular shoulders. Intersections with non-paved roads shall have pavement extended back onto the intersecting road 50' beyond

the end of the intersection radius. New pavements in designated commercial areas may be paved at 26' wide determined by the County Engineer and Board of Supervisors.

2) Paved shoulders and edge line rumble stripes shall be constructed if crash data warrants based on accepted HSIP and TSIP cost/benefit analysis.

3) Rumble strips shall be installed on all approach stop situations.

4) Concrete pavement will be the first choice for pavement provided clear zone and shoulder widths can be maintained by design requirements.

B) Reconstruction of Pavement

1. Paved roads shall be reconstructed with a 22' wide pavement or to the previous pavement width, whichever is greater with granular shoulders.
2. Rumble strips shall be installed on all approach stop situations.

UNPAVED ROADS

A) Gravel Roads

1) New construction of a gravel road shall have a 28' finished top, including shoulders.

2) Reconstruction of a gravel road shall be to the previous width prior to reconstruction.

B) Class B & C Roads

1) Class B and C roads will be built to the minimums as outlined by Iowa Code.

BRIDGES & Drainage Structures

A) Paved Routes

1) Bridges on paved routes shall be built with a minimum width of 30'. Wider structures will be installed when there are issues relating to oversized vehicles, pedestrian facilities, biking usage or other issues where the additional width is felt to be warranted.

2) Culverts under paved roads shall be concrete.

3) Pipe culverts larger than 54" in diameter may be substituted with reinforced box culverts. Corrugated metal pipe culverts 54" and larger shall have concrete and sheet pile curtain walls constructed to prevent uplift failures.

4) Design for drainage structures will be governed by accepted hydraulic design standards. Input from IDNR, Corp of Engineers, Iowa DOT, NRCS, or USGS may impact the size and type of the structure to be placed.

5) Water and livestock will use separate structures whenever possible.

B) Unpaved Routes

1) Bridges will normally be a minimum of 30' on gravel roads with ADT exceeding 25 vpd. Roads with less than 25 vpd may also

have 30' wide bridges constructed if the lower traffic count can be attributed to the presence of a restricted bridge. Dead end roads may be narrower at the discretion of the County Engineer

2) Culverts may be metal or concrete. Pipe culverts larger than 54" in diameter may be substituted with reinforced box culverts. Corrugated metal pipe culverts 54" and larger shall have concrete and sheet pile curtain walls constructed to prevent uplift failures.
3) Design for drainage structures will be governed by accepted hydraulic design standards. Input from IDNR, Corp of Engineers, Iowa DOT, NRCS, or USGS may impact the size and type of the structure to be placed.
4) Water and livestock will use separate structures whenever possible.

C) Class B & C Roads

Class B and C roads will be built to the minimums as outlined by Iowa Code.

D) Entrance Bridges

Any and all bridges/drainage structures that are fully or partially in the road right-of-way that serve as entrances to private property from the public roadway shall be considered the jurisdiction and responsibility of the County. If a structure does not sit fully or partially in the road right-of-way it will be considered a private structure and not under the jurisdiction of the county.

SECTION 4 -- REPEALER

All ordinances and resolutions, or parts thereof, in conflict herewith are hereby repealed.

SECTION 5 -- SEVERABILITY CLAUSE

If any section, provision, or part of this ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the ordinance as a whole or any section, provision, or part thereof not adjudged invalid or unconstitutional.

SECTION 6 -- WHEN EFFECTIVE

This ordinance shall be in effect immediately after its final passage and publication as provided by law. In addition, this ordinance shall remain in effect until such time the Board of Supervisors passes a future ordinance repealing this ordinance.

WOODBURY COUNTY BOARD OF SUPERVISORS AGENDA ITEM(S) I

Date: December 16, 2015

Weekly Agenda Date: December 22, 2015

DEPARTMENT HEAD / CITIZEN: Mark J. Nahra P.E. Secondary Roads Dept Head

SUBJECT: **Consideration of approval of plans for project number BROS-CO97(120)-5F-97**

ACTION REQUIRED:

Approve Ordinance ☐	Approve Resolution ☐	Approve Motion ☒
Give Direction ☐	Other: Informational ☐	Attachments ☒

Consideration X

WORDING FOR AGENDA ITEM: Consideration of approval of plans for project number BROS-CO97(120)—5F-97.

EXECUTIVE SUMMARY: The project replaces bridge U-17-3 on 280th Street. Final design has been completed and required permits for the project have been obtained from regulatory agencies. The bridge will be constructed in 2016.

BACKGROUND: The bridge is in our five year construction program for replacement during FY 2016. The former structure had been restricted to less than legal loads.

FINANCIAL IMPACT: This project is funded with 80% federal bridge funds and 20% farm to market funds.

RECOMMENDATION: Recommend that the Board approve the plans for letting.

ACTION REQUIRED/MOTION PROPOSED: Motion to reapprove the construction plans for project number BROS-CO97(120)—5F-97.

Approved by Board of Supervisors March 3, 2015.

WOODBURY COUNTY BOARD OF SUPERVISORS AGENDA ITEM(S)

Date: December 16, 2015

Weekly Agenda Date: December 22, 2015

DEPARTMENT HEAD / CITIZEN: Mark J. Nahra, P.E., Woodbury County Engineer, Secondary Road Dept.

SUBJECT: **Consideration of Approval of Amendment no 4 to Hungry Canyons Agreement No. 11-1**

ACTION REQUIRED:

Approve Ordinance ☐	Approve Resolution ☐	Approve Motion ☒
Give Direction ☐	Other: Informational ☐	Attachments ☐

Consideration

WORDING FOR AGENDA ITEM: Consideration of **Amendment no 4 to Hungry Canyons Agreement No. 11-1**

EXECUTIVE SUMMARY: Amendment extends funding agreement 1 year

BACKGROUND: The agreement allows for funding of project to place a drop inlet on a Dutch Creek tributary culvert.

FINANCIAL IMPACT: The project is funded at 80% of the drop inlet construction.

RECOMMENDATION: Recommend approval of **Amendment no 4 to Hungry Canyons Agreement No. 11-1**

ACTION REQUIRED/PROPOSED MOTION: Motion to approve **Amendment no 4 to Hungry Canyons Agreement No. 11-1**

Approved by Board of Supervisors March 3, 2015.

HUNGRY CANYONS ALLIANCE
FUNDS: State
PROJECT AGREEMENT NO: 11-1
Woodbury County, Dutch Creek Tributary

HUNGRY CANYONS ALLIANCE

AMENDMENT NO. 4 TO PROJECT AGREEMENT

Section D. is hereby changed to read as follows:

1. All work under this agreement will be completed by December 31, 2016.

TO: Board of Supervisors

FROM: Jered Jepsen, Weed Commissioner

RE: Tuesday, December 22, 2015 Meeting

I am requesting the following agenda items for the Board's consideration.

- Consideration and Acceptance of 2015 Weed Commissioners Report

2015 WEED COMMISSIONER'S REPORT
Submit to County Board of Supervisors by January 1, 2016
Return copy to the IDALS office by January 15, 2014

From: Jered Jepsen **County:** Woodbury

1.) Which of the noxious weeds have you found in your county?
1– Found, a problem in my county 2 – Found, but not a problem 3 – Not known in my county **?- If you cannot identify this plant**

Primary Noxious Weeds		***Secondary Noxious Weeds***	
Buckthorn	3	Buckhorn Plantain	2
Bull Thistle	2	Cocklebur	2
Canada Thistle	1	Wild sunflower	2
Field Bindweed	2	Curly dock (Sour dock)	2
Hoary Cress (Perennial Pepper-grass)	2	Poison hemlock	2
Horsenettle	2	Puncturevine	2
Leafy Spurge	2	Red Sorrel (Sheep sorrel)	2
Musk Thistle	2	Smooth dock	2
Perennial Sowthistle	2	Teasel	2
Quackgrass	2	Velvetleaf (Butterprint)	2
Russian knapweed	2	Wild Carrot	2
		Wild Mustard	2
		Multiflora Rose	3
Purple loosestrife	2	Shattercane	2

2.) Please list any other plants which are a problem in your county:
Crown Vetch

3.) As County Weed Commissioner do your duties include roadside spraying?
X Yes ____ No

4.) Did your county employ contract spraying during 2015? ____ Yes X No

If Yes, what percentage of your total spray program is contracted? _____%
If possible please list the contract rates. $/mile_____
Total Contract Cost. $_____ See. Roads #13,952.16 2016 fiscal year #4,881.48

5.) In the past year how much did your county spend on purchasing Herbicides? $ 2015 fiscal year #8,402.34

6.) How many times during 2015 was it necessary to serve a noxious weed notice?
Private (written) 0 Public (written) (DOT,DNR,CCB) 0

7.) How many times did you contact individuals personally, rather than sending them a weed control notice?
Private (verbal) 18 Public (verbal) (DOT,DNR,CCB) 7

8.) How many times did you actually enter private or public land, control weeds, and assess the cost to the owner? 0

9.) The year in which you became County Weed Commissioner 2012

10.) How many months were you employed as weed commissioner in 2015? 9

11.) Are your duties as weed commissioner incorporated into another county job?
X Yes _____ No If Yes, what? IRVM

Weed Comm. Duties 25 % IRVM Duties 75 % Other County Duties_____%

12.) How does the overall county weed situation compare with last year?
X Improved _____ Unchanged _____ Worse

13.) Is brush control included in your weed commissioner duties? X Yes _____ No
If yes, what method(s) do you use? X Spraying, X Cutting, X Stump treatment, _____Basal bark, _____ other, explain Counties brush mowing tractor

14.) What are your suggestions and/or recommendations which may improve your county weed and brush infestations?
More hours per week during the spray season and more money in the budget for chemicals.

15.) **What would you like to see the Iowa Weed Commissioners organization do in the future? What are some directions you think we should move towards? What do you think should stay the same?**

16.) **Email Address for "Point of Contact" within the County; Either Weed commissioner or administrative support.

wcweedcomm @ gmail.com

(please write legibly)

17.) What herbicides did your county use in your weed control program. **Be specific, please list brand name and quantity of each.** Please do not list surfactants/adjuvants. If spray program is contracted in your county, ask your contractor for this information. Add another page if necessary.

Herbicide usage table;

CHEMICAL/BRAND	**RATE USED**	QUANTITY USED	TO CONTROL?
EXAMPLE MILESTONE	4 FLUID OUNCES/ACRE	425 OUNCES	THISTLE AND TEASEL ON ROADSIDE
Grazon P&D	48 oz/acre	210 gallons.	weeds
Streamline	7.5 oz/acre 4.5 oz/acre	198 lbs.	Trees & weeds
Capstone	1 gal/acre	20 gallons	Trees & weeds.
Crossbow	1 gal/acre	50 gallons	Trees & weeds.
Pronone Powerpellets	1 pellet per inch in dia. of tree	19.25 lbs	Tree's

The above report is true to the best of my knowledge.

DEC 16 2015 AM9:06

Dear County Board Members:

This letter is intended to assist you during your County Budget Planning process for fiscal year 2017. **This is not a bill**.

The Western Iowa Tourism Region anticipates continued funding from the Iowa Economic Development Authority in fiscal year 2017. Our "matching funds" requirement is $20,800.

We are cognizant of the budget constraints facing counties in our region. The Region Board of Directors has worked hard to increase funding from the tourism industry from private members, special projects and grants.

Since additional income is received from these sources, our request from each county will remain at $500.

Highlights of some of the accomplishments of the Western Iowa Tourism Region are:

- Produce and distribute over 550,000 ad inserts (enclosed) to promote Western Iowa.
- 300,000 ad wraps (enclosed) delivered to subscribers of the Omaha World Herald in June, July and August.
- Direct e-mail marketing campaign highlighting events, festivals, communities and attractions in Western Iowa sent to 100,000 subscribers.
- Continue tourism educational workshops/seminars for membership.
- Coordinate marketing efforts with the Iowa Tourism Office.
- Getaway Guide (enclosed) distributed to travelers at all Iowa Welcome Centers and through information request fulfillments.
- Continue to promote Western Iowa on our website, www.visitwesterniowa.com and Facebook

We do need the support of Woodbury County in order to meet our match obligation to receive funds from the Iowa Economic Development Authority.

We truly appreciate your past contributions and look forward to your continuing support.

I will be available to discuss the Western Iowa Tourism Region's programs during one of your meetings. If you would like to meet, please contact me at 888-623-4232.

Sincerely,

Shirley Phillips

Shirley Phillips

RE: Public Hearing January 4, 2016 for a Conditional Use Permit Application For GIS Parcel #8748 01 200 004 addressed 1141 225th St.

This notice is to advise you that on November 17, 2015 property owners of the referenced parcel entered into a commercial purchase agreement with Lieber Land Holdings LLC (Lieber). On December 1, 2015 Lieber filed a Conditional Use Permit (CUP) application requesting the following permanent uses and activities on the parcel:

Material Storage,
Sand Borrow,
Concrete Crushing,
Tree Clearing/Cleanup and
Building Site Development

Woodbury County zoning ordinance (Section 3.03:4 - Page 37) provides *Earthen Material Storage; Resource Extraction - Borrow pits for earth materials* operations and *Heavy Construction Services - Aggregate Crushing and Screening* operations require CUP approval. CUP permit review and approval is a function of the County's Board of Adjustment.

The location of the 18.5 acre (1,317' by 650') parcel lies within the S ½ of the SW ¼ of the SE ¼ of Section 01 of Liberty West Township. More specific location information is provided by the enclosed mapping. The drive currently servicing the parcel provides access from the north side of 225th St. The site plan provides for driveway relocation to the east of the existing 1141 225th St. drive.

The referenced parcel is congruent (to the east and south) to Sioux City's corporate limits. The parcel is zoned GI (General Industrial) which supports each of the applied for conditional uses. The parcel does not lie within any rural drainage district and is not within any special flood hazard area.

The application provides for proposed haul routes to and from the parcel impacting 225th Street and Andrew Avenue roadway right-of-way. Alternative haul routes options occur at the intersection of 225th St., Southbridge Drive and Port Neal Road.

You are being informed of this public hearing should you wish to make any formal comment to the Board of Adjustment on the impact of the applied for uses upon; public right-of-way, public infrastructure, water sources, public services, public safety, environmental issues, perceived public nuisance and private property impact; or to make any other comment.

The Woodbury County Board of Adjustment's public hearing on this matter is scheduled at the Board's 6:00 PM meeting on Monday, January 4, 2016. The meeting and hearing will be held on the 1st floor of the Woodbury County Courthouse, 620 Douglas Street, Downtown Sioux City, Iowa. If attending use the 7th St. entrance to the Courthouse. Be advised security procedures are now in place when entering the Courthouse.

You can provide public testimony regarding this matter by attending the public hearing or by forwarding your written comments by mail, e-mail or fax to: The Office of Planning and Zoning, 6th Floor, Woodbury County Courthouse, 620 Douglas St., Sioux City, IA 51101 Fax 712/279-6530. Only signed comments will be considered. Please provide your written comments so they are received no later than 4:30PM Thursday, December 31, 2015. E-mails may be sent to John Pylelo at:

jpylelo@woodburycountyiowa.gov

Note: See location mapping and parcel's proposed site plan information enclosed.
