PREAMBLE

THIS AGREEMENT is executed by Woodbury County, hereinafter called "Employer", and Communications Workers of America, hereinafter called "Union".

ARTICLE 1 **Recognition**

Section 1. The Employer recognizes the Union as the sole and exclusive bargaining representative for those employees of Woodbury County in the following bargaining unit, to-wit:

All employees of the Secondary Roads Department excluding county engineer, road supervisor, foreman, chief surveyor, temporary employees and part-time employees as hereinafter defined, any special status employee hired prior to July 1, 1976, all other employees of Woodbury County, and those employees excluded by Section 4 of the Act.

ARTICLE 2 **Intent and Purpose**

Section 1. The Employer, the Union, and the employees recognize and declare the necessity of providing the most efficient and highest quality services for the citizens and taxpayers of Woodbury County.

Section 2. The Employer, the Union, and the employees further recognize and declare their mutual desire to promote harmonious and cooperative relationships among the parties covered by this Agreement and to assure the effective and efficient operation of Woodbury County.

ARTICLE 3 **Seniority**

Section 1. Seniority is defined as an employee's length of continuous service with the County from his most recent date of hire. Any length of service in a temporary position shall be included in the computation of seniority if the employment was contiguous to the appointment to a permanent position.

Section 2. The seniority records for employees shall be maintained by the Employer and shall be available to the Union upon request. Any protest as to the correctness of the list must be made in writing to the Employer within thirty (30) days.

Section 3. The seniority of an employee shall terminate if the employee quits for any reason, is discharged, fails to report within forty-eight (48) hours after notice of recall, or is laid off for a period exceeding twelve (12) months or the employee's seniority, whichever is lesser.

Section 4. An employee promoted from the bargaining unit shall retain but shall not

continue to accrue seniority.

ARTICLE 4 **Hours of Work**

Section 1. This Article is intended to set forth the normal workweek, but shall not be construed as a guarantee of any amount of work per day or per week or as a limitation of hours of work per day or per week. A workweek shall commence at midnight Sunday and continue to midnight the following Sunday.

Section 2. For all members of the bargaining unit except the Draftsman, the normal workweek shall consist of forty-two and one-half (42.5) hours per week, exclusive of unpaid lunch periods. The normal workweek for the Draftsman shall consist of forty (40) hours per week, exclusive of unpaid lunch periods.

Section 3. Employees will receive two (2) ten (10) minute breaks each day at times scheduled by the Employer. Employees will receive a thirty (30) minute unpaid lunch period at times scheduled by the Employer.

Section 4. It is understood and agreed that the determination of the daily and weekly work schedules may be changed by the Employer from time to time to meet the Employer's requirements. It is also understood and agreed that the Employer shall have the right in its determination of the daily and weekly work schedules to reduce, extend or maintain the hours of work for any employee, and employees shall be required to work as scheduled by the Employer.

Section 5. The Employer, although reserving to itself the right to change the starting and stopping times of the normal workday, agrees not to change such without first posting notice of such changes at least two (2) weeks prior to the day on which such changes are to become effective. Notice of such changes shall be posted in a conspicuous place in each of the Secondary Roads Department County Sheds located in Movable, Correctionville, Oto and Hornick. The Union recognizes there may be times when an adjustment to starting and stopping times may become necessary without the two (2) week notice. Upon mutual agreement, between the Chief Steward or his designee and the County Engineer or his designee, unplanned starting and stopping times shall be distributed fairly amongst the work groups.

ARTICLE 5 **Overtime**

Section 1. All work performed in excess of forty (40) hours per week or eight (8) hours per day shall be paid for at one and one-half (1 1/2) times the employee's regular hourly rate.

Section 2. All overtime work not specifically provided for herein shall be determined and must be authorized by the Engineer or his designee. An employee shall be required to work such overtime as the Employer requires. Any overtime extended to employees shall first be offered by route and equipment assigned to each employee. Should the normal employee operating a

given piece of equipment or route be unavailable, employees shall be offered overtime by seniority. If no employee accepts to work the overtime, forced overtime will be fulfilled starting with the least senior employee to top senior. Notwithstanding the foregoing: (a) Callout overtime pursuant to Section 5 of this Article 5 shall be assigned by seniority only; and (b) Any overtime to assist in an emergency (whether during a shift, adjacent to a shift, callout or otherwise) shall be assigned at the discretion of the Engineer or his designee.

Section 3. No employee shall be paid or otherwise compensated more than once for work performed, nor shall pay, compensation or benefits be pyramided.

Section 4. Overtime shall not be used to punish or reward employees.

Section 5. When employees are recalled to work outside of their regular scheduled hours or on a non-scheduled day, they shall receive a minimum of two (2) hours pay for each callout.

Section 6. Not later than July 1 of each year, each employee shall decide whether to receive compensatory time off or cash for overtime hours worked in excess of 42.5 hours in a workweek. Employees shall have the option to bank the five (5) hours overtime earned in each pay period. Employees may be paid out in cash for accrued compensatory time by giving notice at least one pay period in advance. In the event of such notice, compensatory time will be paid out in the next pay period, as part of the employee's regular paycheck.

Employees who elect to receive compensatory time off for overtime hours worked in excess of 42.5 hours in a workweek shall receive compensatory time off on the basis of one and one-half (1 1/2) hours for each hour worked in excess of 42.5 hours subject to the following conditions:

- a) a maximum of 85 hours of compensatory time may be accrued and used in a contract year. At the discretion of the employee, hours worked on a holiday may be compensated with compensatory time off, and any time so compensated shall be included in the 85 hour maximum accumulation. It is understood that the eight hours of compensation for the holiday will be paid in wages and will not be compensated with compensatory time off. (Examples: Employee A works 8 hours on a holiday. Employee A will receive compensation for 8.5 hours in wages and may elect to receive 16 hours either in compensatory time off or in wages. Employee B works 12 hours on a holiday. Employee B will receive compensation for 8.5 hours in wages and may elect to receive 28 hours either in compensatory time off or in wages.)
- b) compensatory time may be used in one (1) hour increments. Vacation may be combined with compensatory time to equal a full day's pay when an employee has less than a full eight and one-half hours of compensatory time.
- c) compensatory time off shall be scheduled by mutual agreement and shall only be used at times which do not unduly disrupt the Employer's operation, and

- d) accrued compensatory time which is not used by December 15th shall be paid in cash in the last pay period in December. For purposes of the initial implementation of this provision, compensatory time shall accrue during the period beginning on July 1, 1992 and ending on September 30, 1993. Thereafter, the accrual period shall be October 1 to September 30. Survey crews shall accrue compensatory time from April 1 through March 31. Compensatory time accrued by survey crew employees which is not used by March 31 will be paid in cash in the second pay period in April.

ARTICLE 6

Section 1. Subject to and in accordance with the provisions of this Article, employees shall be granted ten (10) paid holidays, to-wit: New Year's Day, President's Day, Good Friday, Memorial Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving Day, Friday after Thanksgiving and Christmas Day. Probationary employees shall be entitled to holiday pay for holidays occurring during their probationary period the same as regular employees.

Section 2. The Employer shall designate the day on which the holiday is to be observed except that if an aforementioned holiday falls on a Saturday, the preceding Friday will be observed as a holiday, and if any aforementioned holiday falls on a Sunday, the following Monday will be observed as the holiday.

Section 3. In order to be eligible for receiving holiday pay, an employee must report for work on the last scheduled workday before the holiday and on the first scheduled workday after the holiday. No employee who has been laid off, or discharged, or who is under suspension will be eligible for holiday pay. In case of an excused absence, the Engineer may waive the requirement of working before and after a holiday to qualify for holiday pay.

Section 4. Employees required to work on a holiday (whether scheduled or called in) shall receive holiday pay equal to their normal day's pay plus pay at double time the basic hourly rate for all hours worked on such holiday up to eight hours and triple time the basic hourly rate for all hours worked in excess of eight hours on such holiday.

ARTICLE 7
Vacations

Section 1. Subject to and in accordance with the provisions of this Article, paid vacations shall be granted to employees after continuous active service pursuant to the following schedule:

<u>Years of Continuous Service</u>	<u>Hourly Credit</u>	<u>Hours Per Year</u>
After 1 year	40/No. of hours	40 hours
2 or more years, but	80/No. of hours	80 hours

Section 2. The purpose of a vacation is to enable the employee to enjoy periodic rest from his regular job so that he may return to his work refreshed. The vacation year will be the individual employee's anniversary date to anniversary date. Accordingly:

- a) Employees may carry over a maximum number of vacation days which is equal to the amount of vacation accrual earned in the anniversary year just ended. Any vacation hours which exceed the maximum allowable carry over shall be deleted as of the employee's anniversary date if they are not used.
- b) No employee shall be entitled to vacation pay in lieu of vacation.
- c) An employee who terminates employment or an employee whose services are terminated shall receive any vacation earned and not previously taken. Such vacations shall be taken before the employee is dropped from the payroll provided that no vacation may be earned on a pro rata basis until after the employee has worked his first full year.

Section 3. So far as possible, each vacation will be granted at the time selected by the employee so long as it does not conflict with the operation of the Employer; provided that the final right to allot vacation periods and the right to change such vacation periods is reserved exclusively to the Employer.

Section 4. In the event that a holiday falls within an employee's vacation period, such day will not be counted as a day of vacation.

Section 5. An employee who is on vacation shall not be permitted to perform work for any other County Department, Board, or Commission.

ARTICLE 8
Leaves of Absence

A. Sick Leave

Section 1. Sick leave shall be used for personal illnesses and injury, including on-the-job injury or disability, subject to the provisions set out hereinafter. If an employee is injured while gainfully employed by a different employer who carried or is required to carry Worker's Compensation insurance, the employee may use accumulated sick leave to supplement payments

from Worker's Compensation insurance. To the extent the employee has accumulated sick leave, the employee may receive the difference between the Worker's Compensation benefits the employee receives while unable to work and the amount the employee would have been entitled to as gross pay under this contract if the employee had been able to work.

Section 2. Regular employees shall accrue sick leave at the rate of .04615 hours per hour worked up to a maximum of ninety-six (96) hours per year. Employees may accumulate a maximum of six hundred forty (640) hours of sick leave. Sick leave may be taken in a minimum of thirty minute (30) increments.

Section 3. The Employer reserves the right to require a physician's statement for any absence due to sickness. A physician's statement shall be required for any absence of three (3) days or more.

Section 4. To be eligible for sick leave payment, an employee shall notify the Employer as soon as possible but in any event prior to the starting time of the employee's workday. This notice may be waived if the Employer determines that the employee could not reasonably be expected to comply with this requirement because of circumstances beyond the control of the employee.

Section 5. No employee is entitled to compensation for unused sick leave time. Termination of service shall terminate any and all obligation of the Employer in connection with unused sick leave time.

Section 6. Sick leave may be used, to the extent it is available, for an on-the-job injury or disability. When Worker's Compensation is received, the employee shall have the option of being paid the difference between the amount of compensation and the employee's regular salary. This payment shall be made bi-weekly concurrently with recognized pay periods. Only the amount paid by the County shall be deducted from sick leave credit. The amount of money paid by the County divided by the employee's hourly rate of pay shall determine the number of sick leave hours used.

Section 7. An employee who has accumulated and maintains 640 hours of sick leave will be allowed to convert sick leave earned during the year to vacation at the rate of 4 hours of sick leave for 1 hour of vacation. An employee will cease to be eligible for this conversion any time their accumulated sick leave falls below 640 hours.

Section 8. An employee who is retiring or resigns from service with Woodbury County and has a minimum of 22 years of employment with Woodbury County will be paid for **20%** of their accumulated sick leave up to a maximum of \$3,000.00.

B. Funeral Leave

Section 1. An employee will be granted three (3) days funeral leave to attend the funeral of the employee's spouse, children or step-children, parents or step-parents, and up to three (3) days funeral leave to attend the funerals of the employee's mother-in-law, father-in-law, brother, sister, grandparents, grandchildren, brother-in-law, sister-in-law, or permanent member of the immediate household.

Section 2. The Engineer may grant additional leave without pay not to exceed a maximum of three (3) additional days to cover special cases involving unusual circumstances.

Section 3. An employee will be granted one (1) day of funeral leave chargeable against sick leave to attend the funeral of members of the family not included above. A member of the family shall include an uncle, aunt, niece, nephew, or first cousin.

Section 4. An employee will be granted one (1) day of funeral leave without loss of pay to serve as a pallbearer.

Section 5. An employee will be granted one (1) day of funeral leave without loss of pay to attend the funeral of a fellow Secondary Roads employee or a fellow Secondary Roads retired employee.

C. Extended Family Leave

An employee may be granted up to 120 hours of family leave per contract year chargeable to accumulated sick leave when it is necessary for them to provide care for a spouse, child or parent with a serious health condition. The employee requesting family leave will be required provide a written statement of the reason family leave is needed and may be required to provide a physician's statement concerning the illness or injury of the spouse, child or parent. This leave shall be non-accumulative. If the leave is granted it may be treated as leave time under the Family Medical Leave Act. However, the Board of Supervisors shall not be bound by any of the terms, conditions or interpretations of the Family Medical Leave Act in deciding whether or not to grant the leave. The decision to grant or deny this leave is in the sole discretion of the Board of Supervisors or its designee. Any leave request which is going to be denied by the designee of the Board shall be presented to the Board of Supervisors and the employee will be invited to present his/her situation to the Board. The decision of the Board of Supervisors is final and is not subject to a grievance under the terms of this contract.

D. Unpaid Personal Leave

Upon written request by an employee who has exhausted all his/her vacation leave, leave without pay may be granted by the County Engineer for up to thirty (30) calendar days in a contract year. Unpaid personal leave may not be used as an extension of emergency leave but may be used for personal illness or injury if sick leave is exhausted.

E. Personal Day

Section 1. Each employee will receive two personal day per contract year. Personal days will be scheduled by mutual agreement between the employee and the Department. Personal days shall not be carried over from contract year to contract year, nor shall they be granted, if unused, to any employee upon retirement, termination or discharge. No employee will be permitted to work his/her personal day.

Probationary employees in each classification shall be paid three percent (3%) less than the regular rate set forth in Appendix A for the duration of their probationary period. Employees who successfully complete their probationary period shall be paid the full regular rate starting with the first full pay period following the completion of their probationary period.

for 2024-25, \$275 for 2025-26, \$300 for 2026-27, upon presentation of receipts to the County Engineer.

ARTICLE 12

Adjustment of Grievances

Section 1. A grievance is defined as a dispute between an employee and the Employer concerning the interpretation, application or violation of the express terms of this Agreement. Should an employee have a grievance, it shall be adjusted in the following manner:

Step One. An employee who claims a grievance shall present such grievance orally, with or without his steward, to his supervisor, within fourteen (14) working days after the occurrence upon which the grievance is based. The supervisor shall give his oral answer to the grievance within fourteen (14) working days after the grievance was presented to him.

Step Two. If the grievance is not settled in Step One it may be appealed by the employee and his steward within five (5) working days after the answer of the supervisor. The grievance shall be reduced to writing, signed by the aggrieved employee and the steward, and shall state the facts and the specific section of this Agreement alleged to have been violated, and the remedy or relief sought. The written grievance shall be promptly submitted to the County Engineer or his designated representative and the Human Resource Director. A meeting shall be scheduled within five (5) days of presenting the written grievance. The Human Resource Director shall give his/her answer in writing to the employee and steward within ten (10) working days of the meeting.

Step Three. If the grievance is not settled in Step Two it may be appealed to the Board of Supervisors by the Union by written notice. A meeting shall be scheduled with the Board of Supervisors within five (5) days of receipt of the written notice. The Board of Supervisors shall give answer to the grievance within ten (10) days of the meeting.

Step Four. If the grievance is not settled in Step Three it may be appealed to arbitration by the Union by written notice of a request for arbitration, submitted to the Board of Supervisors within seven (7) calendar days after the receipt of the Employer's Step Three answer. Said written notice shall be signed by a representative of the Union, shall state the facts and the specific section of this Agreement which is to be considered by the arbitrator, and the remedy or relief sought. When a timely request has been made for arbitration, a representative of the Employer and a representative of the Union shall select a mutually agreeable arbitrator to hear and determine the grievance. If the representatives of the parties are unable to agree upon the selection of an arbitrator within ten (10) days of the Employer's receipt of the arbitration notice, the parties shall jointly request the Federal Mediation and Conciliation Service to submit a list of five (5) arbitrators. Upon receipt of the list, the parties' designated representatives shall determine by lot the order of elimination and thereafter each shall, in that order, alternately strike a name from the list, and the fifth and remaining person shall act as the arbitrator.

Section 2. The failure by an employee, the Union, or its representative to process a grievance within the applicable times specified above shall bar an employee, the Union, or its representative from further pursuit of the grievance, and any such grievance shall be considered as settled. The failure by the Employer to reply within the applicable times specified above shall be deemed a denial of the grievance which may then be appealed to the next step. The time limits specified above may be extended by mutual written agreement, and if extended, an answer will be given. If the time limits are not extended, the grievance will be deemed to be automatically denied.

Section 3. An arbitrator selected pursuant to the provisions of Step Three shall schedule a hearing on the grievance and, after hearing such evidence as the parties desire to present, shall render a written opinion and award. The arbitration hearing shall be scheduled not later than sixty (60) days following the date on which the request for arbitration was submitted to the Engineer. The arbitrator shall have no authority to hear or determine wage or fringe benefit adjustments, nor to add to, subtract from, modify or amend any terms of this Agreement. The arbitrator shall have no authority to substitute his discretion for that of the Employer in any matter reserved to the Employer by law or the terms of this Agreement. A decision of the arbitrator, within the scope of his authority, shall be final and binding upon the Employer, the Union, and the aggrieved employee(s). The arbitrator may not hear more than one grievance unless the presentation of more than one grievance is mutually agreed to by the Employer and the Union.

Section 4. The Employer and the Union will share equally any joint costs of the arbitration procedure, such as the fees and expenses of the arbitrator and the costs of a hearing room and transcript. Any other expenses shall be paid by the party incurring them.

Section 5. The Union recognizes the right of the employer to suspend, discharge or take other appropriate disciplinary action for just cause. The employer agrees to use progressive discipline where appropriate.

The intention to take disciplinary action shall be reported to the Director of Human Resources prior to taking any action. The Director of Human Resources shall inform the Union prior to any disciplinary action being taken. However, the employer may immediately suspend an employee with pay while an investigation is pending.

Any disciplinary action may be processed as a grievance through the grievance procedure. A grievance based on a suspension without pay or discharge shall begin with the second step of the grievance procedure. Grievances of all other disciplinary actions shall begin with the first step of the grievance procedure.

ARTICLE 13 **General Conditions**

Section 1. This Agreement shall be construed under the laws of the State of Iowa.

Whenever the context of this Agreement permits, the masculine gender includes the feminine, the singular number includes the plural, the reference to any party includes its agent, officials and employees.

Section 2. In the event any provision of this Agreement is held invalid by any court of competent jurisdiction, the said provision shall be considered separable and its invalidity shall not in any way affect the remaining provisions of this Agreement.

Section 3. Bargaining unit employees whose normal working hours are 8.5 hours per day shall receive the same compensation for vacation days, including unused vacation for employees who quit or retire, holidays, sick leave days and funeral leave days as they would receive for a regularly-worked 8.5 hour day. Other employees shall have pay computed on regular 8-hour days.

Section 4. The Union and the Employer acknowledge that during negotiations which resulted in this Agreement, each party had the opportunity to make demands and proposals with respect to all areas of collective bargaining, and that the whole understanding arrived at after the negotiations is set forth in this Agreement.

Section 5. The Employer shall post a copy of this Agreement in appropriate places in the offices and sheds.

ARTICLE 14

The party seeking modification of the Agreement shall cause a written notice to be served on the other party by September 15th of the year prior to the time when modification is desired. The notification in writing is jurisdictional.

IN WITNESS THEREOF, the parties hereto have caused this Agreement to be executed by their duly-authorized representatives this 9th day of April , **2024**.
