IMPROVEMENT REQUEST

Department/Division Title: Sheriffs Office

Request: Licenses and software for Cellebrite. Used to open cell phones and download the information that are needed during investigations.

Justification: We have been having to go to other agencies that have this technology and as a result we are waiting sometimes up to 6 months to retrieve the data we need to make criminal cases.

Financial Impact: \$21,057.36 for this year, and a yearly fee after that.
