RE: Refund Request

Dear Board of Supervisors,

Lamoyne Christiansen has applied for a refund on parcel 8847 05 383 020 (2831 S Cypress) for \$68.00. Lamoyne submitted a late application for the elderly/low income credit that lowered his property taxes. He had already paid the entire year of his taxes before submitting the claim for the elderly credit. Please authorize the refund of \$68.00 for him.

Thank you for your time,
