EXECUTIVE SUMMARY:

The Board of Supervisors will hold a public hearing at 4:45 PM to discuss a proposed Zoning Ordinance Map Amendment to rezone a 1.14-acre portion of the property owned by Jimmie L. and Renee T. Colyer located on Parcel #884726200002 in the NW ¼ of the NE ¼ of Section 26, T88N R47W (Woodbury Township) from the Agricultural Preservation (AP) to the Agricultural Estates (AE) Zoning District.

Following the public hearing, the Board may defer consideration of the proposal; or reject the proposal; or proceed to adopt an ordinance approving the amendment to the zoning district map.

A 60% majority of the Board of Supervisors shall be required to adopt the proposed amendment of the zoning district map if the owners of more than 20% of either, (a) the area of the subject property or (b) the area of real property lying within 500 feet of the subject property file a written objection prior to the conclusion of the public hearing.

The Board of Supervisors may impose restrictive conditions upon the approval of an amendment to the zoning district map if, before the conclusion of the public hearing, the owner agrees to the conditions in writing.

BACKGROUND:

The Sandra K. Baker Revocable Trust (Applicant: Sandra K. Baker) and Jimmie L. and Renee T. Colyer (Owners) have submitted an application for a zoning ordinance map amendment to rezone a portion of the property (Parcel #884726200002) from the Agricultural Preservation (AP) District to the Agricultural Estates (AE) District. The applicants seek to rezone a 1.14-acre portion of this parcel, which will be split and combined with Lot 1 of the Baker Acres subdivision through the Woodbury County Assessor's combination process. A survey conducted by Al Fagan Land Surveying P.C. provides the legal description of the portion of land to be conveyed to the Sandra K. Baker Revocable Trust. This 1.14-acre triangular portion is not eligible for development as a standalone lot because it does not meet the requirements of the Zoning and Subdivision Ordinance. In the purchase agreement, Baker acknowledges that the property being acquired "is not a legal lot for building purposes and must be combined with their existing adjacent parcel, described as Lot One (1) of Baker's Acres." The rezoning is requested so that the new parcel's zoning matches that of Lot 1, facilitating the combination into a single parcel for tax purposes. This proposal has been properly noticed in the Sioux City Journal Legals Section on September 12, 2024. The neighbors within 1000 FT have been duly notified via a September 9, 2024 letter about the September 23, 2024 Zoning Commission public hearing and have been requested to comment. Appropriate stakeholders including government agencies, utilities, and organizations have been notified and have been requested to comment. No objections were received from the stakeholders. Based on the information received and the requirements set forth in the Zoning and Subdivision Ordinance, the proposal meets the appropriate criteria for approval. It is the recommendation of staff to approve this proposal. The Zoning Commission voted 4-0 to recommend approval to the Board of Adjustment following their public hearing on September 23, 2024 with the condition that the portion be combined with Lot 1 of Baker's Acres subdivision.

PUBLIC HEARING (ACTION ITEM): ZONING MAP AMENDMENT (REZONE) FROM AGRICULTURAL PRESERVATION (AP) TO AGRICULTURAL ESTATES (AE) ZONING DISTRICT (PARCEL #884726200002):

Priestley read the staff report into the record. The Sandra K. Baker Revocable Trust (Applicant: Sandra K. Baker) and Jimmie L. and Renee T. Colyer (Owners) submitted an application to rezone a 1.14-acre portion of property (Parcel #884726200002) from the Agricultural Preservation (AP) District to the Agricultural Estates (AE) District. This portion will be combined with Lot 1 of the Baker Acres subdivision through the Woodbury County Assessor's combination process. A survey conducted by Al Fagan Land Surveying P.C. provides the legal description of the land to be conveyed to the Sandra K. Baker Revocable Trust. This triangular 1.14-acre portion is not eligible for development as a standalone lot, as it does not meet the requirements of the Zoning and Subdivision Ordinance. In the purchase agreement, Baker acknowledges that the property being acquired is "not a legal lot for building purposes" and must be combined with the adjacent parcel, Lot One (1) of Baker's Acres. The rezoning is requested to match the zoning of Lot 1, facilitating the combination into a single parcel for tax purposes. This proposal was properly noticed in the Sioux City Journal Legals Section on September 12, 2024. Neighbors within 1000 feet were notified via a September 9 letter about the public hearing on September 23, 2024, and stakeholders including government agencies, utilities, and organizations have been requested to comment. No objections were received. Staff recommends approval as the proposal meets the criteria for approval. Bride moved to close the public hearing, seconded by Hanson. The motion carried 4-0. Hanson then moved to approve the zoning ordinance map amendment from AP to AE, with the condition that the portion be combined with Lot 1 of Baker's Acres subdivision, seconded by Meister. The motion carried 4-0, and the application will be forwarded to the Board of Supervisors.

PUBLIC HEARING (ACTION ITEM): CONSIDERATION OF NUCLEAR ENERGY FACILITIES IN THE WOODBURY COUNTY ZONING ORDINANCE:

At the request of the Board of Supervisors, the Commission held a public hearing to discuss the potential incorporation of nuclear energy facilities into the zoning ordinance. No public comments were offered. This follows the Board's directive on July 2, 2024, to explore nuclear energy as a county option. No formal proposals have been submitted by companies, and few public comments have been received up to this point. Bride suggested seeking input from MidAmerican Energy regarding future power sources, and a town hall meeting after the harvest season was proposed to discuss nuclear energy with residents. Bride moved to revisit this topic next month, seconded by Hanson. The motion was approved 4-0.

REVIEW OF CONDITIONAL USE PERMIT APPLICATION (ACTION ITEM): INSTALLATION OF THREE 100-FOOT WIND TURBINES (PARCEL #884420300005):

Priestley read the staff report into the record. L & K Tabke Holdings, LLC (Kathy Tabke) submitted a conditional use permit application to install three 100-foot wind turbines to reduce electrical costs on the farm. The proposed locations are approximately 5.2 miles southeast of Merville, on the south side of 195th Street and east of Jasper Avenue. The property is located in the Agricultural Preservation (AP) Zoning District, where "Electric wind generator (Private use)" is classified as a conditional use eligible for review by the Zoning Commission and consideration by the Board of Adjustment. This proposal was properly noticed in the Sioux City Journal's legal section on September 21, 2024. Neighbors within 500 feet were notified via a September 18, 2024 letter about the October 7, 2024 Board of Adjustment public hearing. Stakeholders have been requested to comment. Based on the information received and the requirements of the Zoning Ordinance, the proposal meets the criteria for approval. Bride emphasized that the turbines are for private use. Priestley discussed setback concerns from other structures on the premises per the zoning ordinance. The property owner assumes all risks for any malfunctions or tower collapses. Meister moved to close the public hearing, seconded by Bride. The motion carried 4-0. Based on the information provided and zoning criteria, Meister moved to recommend approval of the conditional use permit, seconded by Hanson. The motion carried 4-0, and the application will be forwarded to the Board of Adjustment.

REVIEW OF CONDITIONAL USE PERMIT APPLICATION (ACTION ITEM): INSTALLATION OF 250-FOOT WIRELESS COMMUNICATIONS TOWER (PARCEL #874720400004):

Priestley read the staff report into the record. Andrew Bobrytzke, on behalf of American Towers LLC and the Bradley J. Kobold Trust, has filed a conditional use permit application to construct a 250-foot self-support wireless communications tower to replace an existing tower on Parcel #874720400004. The proposed location is about half a mile west of Salix, on the north side of 260th Street and west of Barker Avenue. The parcel is located in the General Industrial (GI) Zoning District, where "telecommunication towers" are classified as conditional uses eligible for review by the Zoning Commission and for consideration by the Board of Adjustment. This proposal was noticed in the Sioux City Journal's legal section on September 21, 2024. Neighbors within one mile were notified via a September 18, 2024 letter about the October 7, 2024 Board of Adjustment public hearing. Appropriate stakeholders have been requested to comment. Based on the information received and zoning requirements, the proposal meets the criteria for approval. Staff recommends approval. Hanson moved to close the public hearing, seconded by Bride. Bride then moved to recommend approval of the tower construction and use on the specified parcel, seconded by Meister. The motion carried 4-0, and the application will be forwarded to the Board of Adjustment.

INFORMATION ITEM: CONSIDERATION OF DECOMMISSIONING REQUIREMENTS FOR CARBON PIPELINES:

Priestley provided an update on the Board of Supervisors' August 27, 2024, decision to direct county staff to explore decommissioning requirements for carbon pipelines as part of a new ordinance. While federal regulations govern pipeline decommissioning, staff are reviewing local regulations from other counties and states. The Zoning Commission and Board of Adjustment will be involved in researching and offering recommendations. Bride noted that pipeline easements remain in place even if a pipeline is no longer in use.

STAFF UPDATE:

Priestley updated the Commission on the proposed amendments to Ordinance 56, which regulates Commercial Wind Energy Conversion Systems. He discussed the three-step public hearing process and referenced safety information obtained from safety data sheets for a Nordex system submitted to the Ohio Public Utilities Commission.

PUBLIC COMMENT ON MATTERS NOT ON THE AGENDA:

None.

COMMISSIONER COMMENT OR INQUIRY:

None.

ADJOURNMENT:

Meister moved to adjourn the meeting, seconded by Hanson. The meeting adjourned at 6:02 p.m.

If closing is delayed due to SELLERS' inability to provide marketable title, this Agreement shall continue in force and effect until either party rescinds the Agreement after giving ten days written notice to the other party. The abstract shall become the property of BUYERS when the Purchase Price is paid in full. SELLERS shall pay the costs of any additional abstracting and title work due to any act or omission of SELLERS, including transfers by or the death of SELLERS or their assignees. Unless stricken, the abstract shall be obtained from an abstracter qualified by the Guaranty Division of the Iowa Housing Finance Authority.
8. SURVEY. If a survey is required under Iowa Code Chapter 354, or city or county ordinances, SELLERS shall pay the costs thereof. BUYERS may, at BUYERS' expense prior to closing, have the property surveyed and certified by a registered land surveyor.
9. ENVIRONMENTAL MATTERS.
 - A. SELLERS warrant to the best of their knowledge and belief that there are no abandoned wells, solid waste disposal sites, hazardous wastes or substances, or underground storage tanks located on the Property, the Property does not contain levels of radon gas, asbestos, or urea-formaldehyde foam insulation which require remediation under current governmental standards, and SELLERS have done

nothing to contaminate the Property with hazardous wastes or substances. SELLERS warrant that the property is not subject to any local, state, or federal judicial or administrative action, investigation or order, as the case may be, regarding wells, solid waste disposal sites, hazardous wastes or substances, or underground storage tanks. SELLERS shall also provide BUYERS with a properly executed GROUNDWATER HAZARD STATEMENT showing no wells, private burial sites, solid waste disposal sites, private sewage disposal system, hazardous waste and underground storage tanks on the Property unless disclosed here: none.

10. DEED. Upon payment of the Purchase Price, SELLERS shall convey the Property to BUYERS by warranty deed, free and clear of all liens, restrictions, and encumbrances except as provided in this Agreement. General warranties of the title shall extend to the time of delivery of the deed excepting liens and encumbrances suffered or permitted by BUYERS.
11. JOINT TENANCY IN PROCEEDS AND IN REAL ESTATE. If SELLERS, immediately preceding acceptance of the offer, hold title to the Property in joint tenancy with full rights of survivorship, and the joint tenancy is not later destroyed by operation of law or by acts of the SELLERS, then the proceeds of this sale, and any continuing or recaptured rights of SELLERS in the Property, shall belong to SELLERS as joint tenants with full rights of survivorship and not as tenants in common; and BUYERS in the event of death of any SELLER, agree to pay any balance of the price due SELLERS under this contract to the surviving SELLER and to accept a deed from the surviving SELLER consistent with Paragraph 14.
12. JOINDER BY SELLER'S SPOUSE. SELLER'S spouse, if not a title holder immediately preceding acceptance, executes this Agreement only for the purpose of relinquishing all rights of dower, homestead and distributive share or in compliance with Section 561.13 of the Code of Iowa and agrees to execute the deed or real estate contract for this purpose.
13. USE OF PURCHASE PRICE. At time of settlement, funds of the Purchase Price may be used to pay taxes and other liens and to acquire outstanding interests, if any, of others.
14. APPROVAL OF COURT. If the Property is an asset of an estate, trust or conservatorship, this Agreement is contingent upon Court approval unless Court approval is not required under Iowa law and title standards of the Iowa State Bar Association. If the sale of the Property is subject to Court approval, the fiduciary shall promptly submit this Agreement for such approval. If this Agreement is not so approved by _____ either party may declare this Agreement null and void, and all payments made hereunder shall be made to BUYERS.
15. REMEDIES OF THE PARTIES.
 - A. If BUYERS fail to timely perform this Agreement, SELLERS may forfeit it as provided in the Iowa Code (Chapter 656), and all payments made shall be

forfeited; or, at SELLERS' option, upon thirty days written notice of intention to accelerate the payment of the entire balance because of BUYERS' default (during which thirty days the default is not corrected), SELLERS may declare the entire balance immediately due and payable. Thereafter this Agreement may be foreclosed in equity and the Court may appoint a receiver.

B. If SELLERS fail to timely perform this Agreement, BUYERS have the right to have all payments made returned to them.

C. BUYERS and SELLERS are also entitled to utilize any and all other remedies or actions at law or in equity available to them, and the prevailing parties shall be entitled to obtain judgment for costs and attorney fees.

16. NOTICE. Any notice under this Agreement shall be in writing and be deemed served when it is delivered by personal delivery or mailed by certified mail, addressed to the parties at the addresses given below.

17. GENERAL PROVISIONS. In the performance of each part of this Agreement, time shall be of the essence. Failure to promptly assert rights herein shall not, however, be a waiver of such rights or a waiver of any existing or subsequent default. This Agreement shall apply to and bind the successors in interest of the parties. This Agreement shall survive the closing. This Agreement contains the entire agreement of the parties and shall not be amended except by a written instrument duly signed by SELLERS and BUYERS. Paragraph headings are for convenience of reference and shall not limit or affect the meaning of this Agreement. Words and phrases herein shall be construed as in the singular or plural number, and as masculine, feminine, neutral or other gender according to the context.

18. NO REAL ESTATE AGENT OR BROKER. Neither party has used the service of a real estate agent or broker in connection with this transaction.

19. CERTIFICATION. Buyers and Sellers each certify that they are not acting, directly or indirectly, for or on behalf of any person, group, entity or nation named by any Executive Order or the United States Treasury Department as a terrorist, "Specially Designated National and Blocked Person" or any other banned or blocked person, entity, nation or transaction pursuant to any law, order, rule or regulation that is enforced or administered by the Office of Foreign Assets Control; and are not engaged in this transaction, directly or indirectly on behalf of, any such person, group, entity or nation. Each party hereby agrees to defend, indemnify and hold harmless the other party from and against any and all claims, damages, losses, risks, liabilities and expenses (including attorney's fees and costs) arising from or related to my breach of the foregoing certification.

20. INSPECTION OF PRIVATE SEWAGE DISPOSAL SYSTEM. Seller represents and warrants to Buyer that the Property is not served by a private sewage disposal system, and there are no known private sewage disposal systems on the property.

21. ADDITIONAL PROVISIONS.

A. BUYERS' obligation to purchase the property is contingent upon the property being rezoned from AP to AE. SELLERS will cooperate with BUYERS in the rezoning of the property. All expenses of the rezoning will be paid by BUYERS.

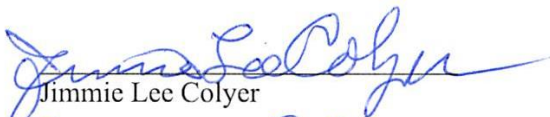

B. BUYERS acknowledge that the property they are purchasing is not a legal lot for building purposes and must be combined with their existing adjacent parcel of land, briefly described as Lot One (1) of Baker's Acres. BUYERS will undertake all necessary steps in order to apply for combination of this parcel into Lot One (1) of Baker's Acres.

C. In the event that Woodbury County requires filing of a minor subdivision plat, BUYERS will subdivide the property at their expense. SELLERS will cooperate with BUYERS in the subdividing of the property.

EVALUATION CRITERIA

The Zoning Commission shall base their recommendations and the Board of Supervisors shall base their decision on any requested amendment of the zoning district map on the following criteria:

Conformance with the goals and objectives set forth in the approved general development plan for Woodbury County including the future land use map.

There does not appear to be any conflicts with the Woodbury County Comprehensive Plan 2040. (https://www.woodburycountyiowa.gov/files/community_economic_development/woodbury_county_comprehensive_plan_2040_89417.pdf). This area is designated as rural residential on the future land use map thereby illustrating that this request is compatible with future land use goals and objectives. This rezone is not expected to change any existing land use other than transferring ownership from one party to another.

Current Land Use

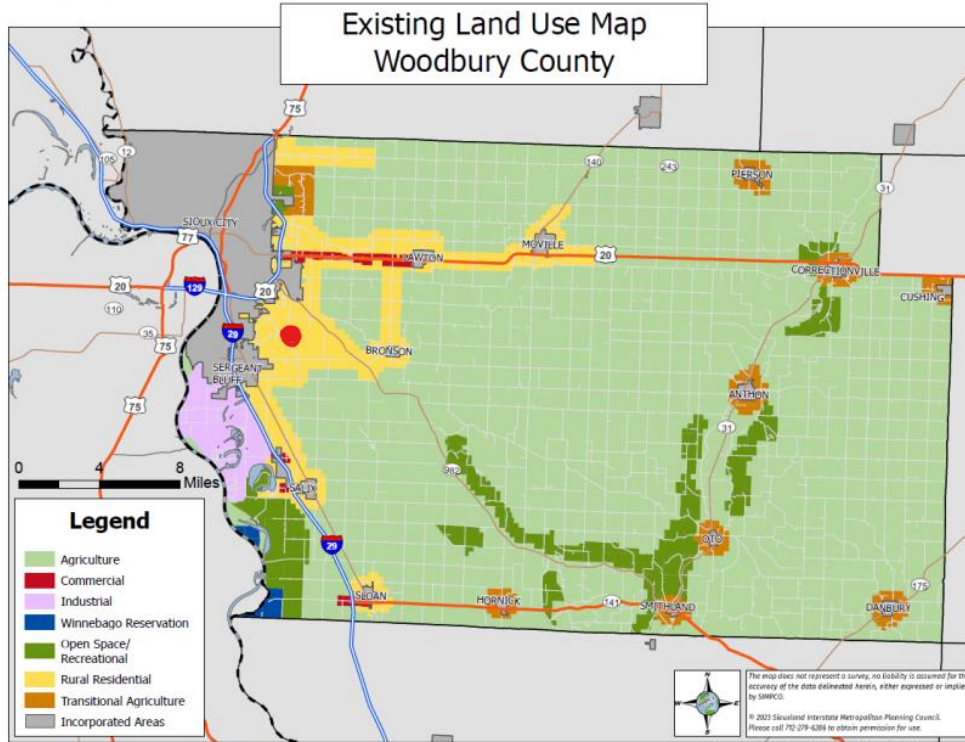

Figure 7.2. Existing Land Use Map, 2023.

Compatibility and conformance with the policies and plans of other agencies with respect to the subject property.

	Compatibility with adjacent land uses.
	<p>The rezone to AE is compatible with the area residential uses. The AE Zoning District retains much of the land use characteristics that are offered in the AP Zoning District. The major difference between the two is that AE allows for more than two houses in a quarter-quarter section. Additional homes in the area should not be adversely impacted by this change in zoning designation as this portion will be rezoned to the same designation in which they reside.</p>
	Compatibility with other physical and economic factors affecting or affected by the proposed rezoning.
	<p>There does not appear to be any other additional compatibility issues with this location.</p>
	Any other relevant factors.
	<p>As noted in the summary, the applicants seek to rezone a 1.14-acre portion of this parcel, which will be split and combined with Lot 1 of the Baker Acres subdivision through the Woodbury County Assessor's combination process. A survey conducted by Al Fagan Land Surveying P.C. provides the legal description of the portion of land to be conveyed to the Sandra K. Baker Revocable Trust. This 1.14-acre triangular portion is not eligible for development as a standalone lot because it does not meet the requirements of the Zoning and Subdivision Ordinance.</p>
