

RESOLUTION FOR THE ESTABLISHMENT OF A YIELD SIGN AT THE INTERSECTION OF
235th STREET AND ANDREW AVENUE
RESOLUTION NO. 12,182

WHEREAS, under the provisions of Section 321.255 and 321.236 (1C)(6) of the 2013 Code of Iowa, the Board of Supervisors and County Engineer are empowered to designate the location and erection of stop and yield signs,

AND WHEREAS, the County Board and County Engineer may designate certain roads as through roads with the erection of stop or yield signs at specified locations furnishing access thereto or designation of any intersection as a stop or yield intersection and erect like signs at one or more locations of access to such intersections.

AND WHEREAS, traffic through the intersection discussed herein has changed due to the completion of the extension of Andrew Avenue and 240th Street between 235th Street and Allison Avenue for use as a haul road and construction site access road during the construction of the new CF Industries plant, resulting in a significant change to the volume of traffic at these intersections,

AND WHEREAS, continued monitoring traffic control at the new intersection has justified a change in the traffic control at the intersection,

AND WHEREAS, with the increased level of traffic at the intersections of the new and improved routes, it is deemed a safety hazard to allow the traffic to move without some control of traffic movement,

NOW THEREFORE BE IT RESOLVED, that the Board of Supervisors of Woodbury County on this 19th day of May, 2015, recognize as official the location of a yield sign at the intersections described below:

1. Located at the intersection of 235th Street and Andrew Avenue, causing traffic travelling north on Andrew Avenue to come to yield to 235th Street traffic.

Woodbury County Board of Supervisors

Mark Monson, Chairman
